What is Community?

It's a mobile app and web experience where your congregation can connect with YOU

All located at YOUR OWN Faith Teams web address. For example:

<https://newlife.faithtteams.com>

It's included with your subscription to Faith Teams

You can activate Community and begin configuring and using it right away.

It provides a single location to interact with your church

- Community by Faith Teams Mobile App
- QR Code to Share Everywhere
- Dedicated and Branded URL Web Experience

What is Community Plus?

An upgrade that adds new features to Community

- Church directory
- Group chat
- Additional publishing features to your Community site and app

What does it cost to upgrade to Community Plus?

To Activate Community, you must migrate your Subdomain to point to the New Community Landing Site.

** This will activate the new Faith Teams Giving form for your church. The giving form is improved and easier to use. It will alter change the user experience for your donors. Make sure to let your church know of the change.

Community Setup

The screenshot shows the FaithTeams Community Setup dashboard. At the top, there's a browser window with the URL `dashboard.faithteams.com/community`. Below the browser window, the FaithTeams logo is on the left, and a user profile for David Young is on the right. A navigation bar contains links for Dashboard, People, Events, Messaging, Contributions, Tools, and Admin. The main content area is titled "Community Settings" and shows the URL `https://newchurch.faithteams.com`. On the right, there's a QR code with a "Click to Download" link. Below this, there are four toggle switches: Guest, Events, Groups, and Give, all of which are turned on. To the right of these toggles are two input fields: "Welcome" and "New Church". An "Update" button is located to the right of the "New Church" field. At the bottom left, there are two more toggle switches: "Show Layout Tools" and "Show Content", both of which are turned on. At the bottom right, there's a section titled "Faith Teams Community Mobile App (approximation)" showing a preview of the mobile app interface with a "New Church" button and a menu icon.

How to Promote Community

Use Your Community QR Code

Your QR Code is linked to your site.

<https://newchurch.faithtteams.com>

Mobile Download Page

Share this URL with your congregation. It provides them with links to Community Mobile and explains how they can use it to interact with your church.

<https://faithtteams.com/download-community-mobile/>

Share a Video

Here's a video that you can download to a flash drive and run on your televisions in your church.
