Creating Forms

A screenshot of a web browser displaying the FaithTeams dashboard. The browser's address bar shows the URL "dashboard.faithteams.com/publicforms/6HJOU". The dashboard header includes the FaithTeams logo, a notification bell, a settings gear, and the user name "Paul Tarsus". A dark navigation bar contains links for Dashboard, People, Events, Messaging, Contributions, Tools, Admin, and a help icon. The main content area shows the "Guest Form" settings. At the top, there is a "Header Image" section with a "NEWLIFE CHURCH" logo. Below this is the "Form Settings" section, which lists various configuration options. To the right of the settings is an "Actions" button. At the bottom left, there is a "Small" dropdown menu and a QR code. A chat icon is visible in the bottom right corner of the dashboard area.
