TOGETHER, WE CONTINUE GOD'S WORK

Looking ahead to 2027

Your generosity helps St. Andrew's sustain meaningful worship, music, and pastoral care; offer Bible studies, retreats and forums; welcome newcomers; strengthen fellowship; care for our church and grounds; and extend Christ's love through outreach.

Every pledge, regardless of size, helps make these ministries possible.

Thank you for sharing
your time, talent, and treasure.

"For all things come of Thee, O Lord, and of Thine own have we given Thee."

— 1 Chronicles 29:14

A YEAR OF FAITHFUL STEWARDSHIP

Throughout 2026, St. Andrew's parishioners shared their time, talents, and treasure through worship, prayer, learning, fellowship, and outreach. Together with our clergy, staff, and volunteers, we cared for one another, welcomed newcomers, and remained connected year-round.

A New Model of Leadership

In 2026, St. Andrew's began piloting a collaborative clergy leadership model tailored to the needs of our seasonal parish. Led by the Rev. Geoffrey Piper, Priest-in-Charge, with Fr. John Warfel and Fr. Chris Gray serving during the remaining months, this innovative approach provides year-round clergy leadership, continuity of pastoral care, and the combined gifts of three experienced priests. St. Andrew's is exploring a sustainable approach to ministry that honors our traditions while embracing new possibilities.

SHARING OUR TIME

Growing in faith and fellowship.

Time is one of the most meaningful gifts we can offer. We share it through worship, study, prayer and relationships that deepen our faith.

In 2026, St. Andrew's continued Holy Eucharist with live-streaming on Sundays, year-round men's and women's Bible studies on Zoom, and a new Wednesday Morning Prayer gathering followed by fellowship.

The Memorial Garden and labyrinth also provided a peaceful setting for prayer, remembrance and renewal.

Coffee hours and special gatherings helped parishioners remain connected through every season.

SHARING OUR TALENTS

Serving with the gifts God has given us.

The life of St. Andrew's is enriched by people generously sharing their abilities and energy.

Musicians and lay participants support worship. Parish volunteers and leaders care for the practical work of ministry. Fellowship hosts create opportunities for friendship and connection.

In 2026, a new Welcome Ministry began preparing a Welcome Table so visitors and newcomers can find information, ask questions and feel at home.

Every gift matters. Each act of service strengthens our parish family.

SHARING OUR TREASURE

Making ministry possible.

Financial generosity supports our clergy and staff, worship and music, education, pastoral care, and the upkeep of our church and grounds.

St. Andrew's dedicates 10% of the previous year's parish budget to outreach, supporting organizations that serve our neighbors and the wider community. Among those we support are Habitat for Humanity, the Boys and Girls Club of Charlotte County, and Englewood Community Care Clinic.

Beyond our outreach efforts, St. Andrew's also welcomes community groups, including AA and Al-Anon, to use our facilities for their meetings.

Your 2027 pledge helps sustain this work and respond to opportunities for service.
