

Trilogy Games-Captains/Cheer Team

What to Do and When to Do It

July and August: Conduct regular Team meetings with the Captains and the Committee Heads to track progress, share information, etc. (about every 2-3 weeks)

Early September 2025:

- Finalize the banner carrier assignments and any flag carriers for the Parade of Teams, schedule a rehearsal to practice the parade line up, where the team is led in by the banner carriers/flag bearers
- Make sure everyone has ordered their shirts
- Finalize props/sets for lip synch
- Pick up water, Gatorade, bagged snacks and energy bars for your Team Tent, if applicable

Wednesday September 17, 2025

- Evening-Golf Cart Decorating Party for all the participating golf carts in the parade, have the golf carts drive a few blocks while decorated to make sure no decorations fall off (this is a safety hazard and a trash issue)
- Final dress rehearsal with props for Lip Synch, especially with any “stagehands” or team helpers to make sure your team can get set smoothly in 5 minutes

Thursday September 18, 2025:

Morning:

- Set-Up Tent/Decorate at assigned space in the Olympic Village
- Have any cheer materials available in the tent (cow bells, pom poms, beads, etc.)

Afternoon:

- 3 p.m. attend soundcheck for Lip Synch to be sure the team music is correct
- Finalize any Golf Cart Decorations for the one Cart that will be entered into the contest to be judged
- Hand out large flags and Banners to those who will be carrying them in the parade, or store them in the team tent for pick-up before the start of the opening ceremony
