

Job Description for Children Young People and Families Assessor Role

About us:

ELA delivers high quality apprenticeships, standalone qualifications, and short courses. We have expertise across a specific range of sectors and have established Business Units to deliver teaching and learning in each of these sectors as dedicated specialists. Our team has a huge passion for learning that makes a difference, and not training for training's sake.

ELA have a commitment to safeguarding and promoting the welfare of children, young people, and Adults at Risk. Successful applicants will need to undertake an enhanced Disclosure Barring Service check (DBS) where appropriate.

About The Role

Do you want to work for a progressive expanding education setting with ambitious plans? If so, we want to hear from you!

We are looking for an enthusiastic and passionate qualifications assessor to join our learning and development training team that is reflective and creative in practice. Working collaboratively with all stakeholders you will strive to ensure that the children, young people, and employees reach their full potential by supporting and assessing adult learners to complete relevant Children's service qualifications such as TQUK Level 3 Diploma for Residential Childcare (RQF) Children Young People & Families Practitioner Apprenticeship Standard and TQUK Level 5 Diploma in Leadership and Management for Residential Childcare (RQF)

The role of an Assessor is a dual role of remote learning and out in the field working with our learners & employers, you will be responsible for supporting a caseload of learners (of any age) in their places of work, through their qualifications.

Qualifications will include accredited Apprenticeships and short courses. You be using a variety of teaching and assessing techniques to ensure that the highest standards of bespoke learning is offered. Through the work you do, you will not only be making a difference in the lives of learners, but also increasing standards and reputation of the industry.

While the role is home-based, supporting learners and delivering teaching virtually, there is an expectation to travel to workplaces and visit Apprentices on a regular basis.
