Yorkshire Decorative Plasterers Ltd

We are members of the Guild of Master Plasterers and Heritage approved Master Plasterers, this badge confirms that our highly skilled craftsmen only produce work of the highest quality. Over the past 36 years we have won many awards.

All the products are made the traditional tried and tested way, using the same materials used over a century ago. Plaster is easy to fill and sand down making it “much preferred” to use over the polymer or polystyrene alternatives on the market. Plaster is also fire proof and free from toxic fumes.

Each of our technical management and craftsmen have many years experience, we also have a continuing apprentice training scheme to maintain our standard of labour and workmanship.

We have the ability to handle the most complicated plaster work from design stage through to site fixing. We will produce from small modest requirements to substantial works in public buildings, theatres, churches, cathedrals and other prestige properties.

In addition to contract work the company also provides a service in supplying its range of cornices, moulding's, etc, and we can reproduce existing plaster works when required.

This brochure shows a small selection of our products and its hoped that this will be of assistance to our clients, architects and builders requiring such services.

All sizes are approximate and we advise you to check with our office if exact dimensions are required. All items will require a light sand after fixing and painted with a quality primer, before applying a water based paint.

YDP FIREPLACES

YDP one of the North of England's leading manufacturers of traditional Fire Surrounds, have earned an enviable reputation for producing competitively priced, high quality products which add elegance and style to any living room. The company's skilled craftsmen use only premier quality material, to produce a range of attractive Fire Surrounds, in solid marble, lime stone, stoneite, herculite and various natural woods. Our standards are such that we have supplied mantles to the Hilton Hotel Group and various Plc's.

YDP Fire Surrounds are exclusively designed and produced by us in a range of sizes and finishes to suit your individual needs. Personal service and attention to detail are guaranteed. Please look at our large showroom on our web site or visit us in person.
