CONFIDENT PARENTING IN A WORLD OF SCREENS

Webinar 29th April at 8pm.

CELEBRATE Trust is running a Webinar for parents and carers of teenagers.

Hardly a day goes by without headlines highlighting the impact of smartphones and social media on our teenagers. They face a whole new level of complexity as they grow up in a digital world, but as parents and carers there are so many things we can do to help them navigate it well.

CELEBRATE Trust has invited a speaker from *Care for the Family*, a national UK charity, to share how we can best support our teenagers through the challenges of the digital world and offer practical advice and principles to apply in our own unique families.
