Dear Friend,

Elevate Life exists to equip pregnancy resource centers so they can focus on serving women, babies, and families. We handle the behind-the-scenes work, such as insurance, training, problem-solving, and support, so centers can save lives.

Because of your partnership in 2025, we secured insurance savings averaging 25% across our network. We trained 139 people and delivered 19 webinars. We launched ultrasound refresher training, brought in retirement benefits, and visited 17 centers for hands-on support. We expanded to nearly 50 centers across four states.

Your generosity made this possible. When you invest in Elevate Life, you strengthen nearly 50 centers and multiply hope across the Upper Midwest.

As we enter 2026, the need is growing. More centers are joining. More women need help. We're ready, but we need partners like you.

Will you stand with us? Your gift ensures no center faces challenges alone.

Thank you for believing in this mission.

With gratitude,

Anna Schmidt,
Executive Director-Elevate Life

2025

Your Impact on the Elevate Life Network of Pregnancy Resource Centers

Highlights of Services Provided:

Ultrasound Training

NEW: Regionally located ultrasound refresher trainings

> "This was exactly what I needed to confirm my skills and interpretation of images."

- Claire Martin, Health Resources Center Detroit Lakes

Annual Board Member Training Day

33 Board Members Trained

Annual All Member Fall Training Day

> The information was so valuable, and I truly enjoyed the entire day. I learned so much, gained helpful contacts and leads for our clinic.

- Tamara Linderholm, Creative Women's Health

Trainees: 64

Grants Provided:

- 3 sonography training grants totalling $7,663
- 1 grant for billboard sign totalling $2,000
- 6 executive director bootcamp training grants, totalling $4,182
- 2025: 10 grants totalling $13,845

> Marketing our message is so very important, and being able to get that message to the community via a billboard has proven to be effective. This grant reduces the costs associated with this marketing endeavor and allows Options on 8 to continue our mission of helping families with an unplanned pregnancy.

- Michelle Schaefer, Executive Director Options on 8

Networking Opportunities

- NEW Online Portal: Creates quick collaboration between EDs, medical staff, and client services personnel.
- Monthly Executive Director Leadership Meetings: A time to empower EDs with the latest insights in running their centers and collaboration across the network.
- Annual All Member Retreat: A time of rejuvenation to help avoid burnout and retain staff and volunteers.
