## 2026-2027 Basketball Season

A new season. A new home. A new chapter for Tab Recreation Basketball.

Beginning this year, all Tab Recreation Basketball programming will be played inside the brand-new Oaks Fieldhouse, creating an exciting experience for our athletes, families, and community. With multiple full-size courts, enhanced facilities, and a high-energy environment, the Oaks Fieldhouse will allow us to continue growing the game while delivering a first-class recreational experience.

Our basketball program is centered on development, teaching players the fundamentals of the game while building confidence, teamwork, discipline, and sportsmanship. Whether your child is picking up a basketball for the first time or continuing to grow their skills, Tab Recreation is committed to creating a positive and encouraging environment for every athlete.

### Throughout the season, players will focus on:

- Skill development and basketball fundamentals
- Passing, shooting, ball handling, and defense

## More Than Basketball

Tab Recreation Basketball is about more than wins and losses. It's about creating a place where kids feel supported, families feel connected, and the community comes together through the game.

We're excited to begin this next chapter in the Oaks Fieldhouse and can't wait to see our athletes take the court this winter.
