Summer 2027 Flag Football

Flag Football is coming back home to Tab Recreation.

Beginning in Summer 2027, Tab Recreation will officially bring Flag Football back in-house, creating a fun, fast-paced, development-focused league built around movement, teamwork, and community. Every game will be played under the lights on the Tab Recreation Turf Field, giving families and athletes an exciting game-day atmosphere in one centralized location.

This league is designed to help young athletes learn and grow in a positive recreational environment where development comes first. Whether players are brand new to football or looking to sharpen their skills, Tab Recreation Flag Football will focus on fundamentals, confidence-building, teamwork, and having fun.
