

U-flow<sup>®</sup>

# Your space, your color

Custom finishes for architectural design

50 YEARS  mediclinics

# U-flow<sup>®</sup>

**A hand dryer is no  
longer just functional**

**It's part of the design**

# U-flow<sup>®</sup>

## You choose the color We manufacture it

Fully customizable finishes for any project

# U-flow<sup>®</sup>

## Seamless integration into your design

The option to customize the color ensures visual consistency with surrounding materials and finishes, creating a more polished result.

# U-flow<sup>®</sup>

## Reinforce brand identity through every detail

Subtly incorporating brand colors helps maintain visual consistency across every touchpoint, even in functional spaces.

# U-flow<sup>®</sup>

## Stand out beyond standard solutions

Unlike standard options, customization enhances the space and reinforces its identity.

# U-flow<sup>®</sup>

Any RAL color

Any project
