about us

Siniat is one of the Etex Group's flagship commercial brands, and one of the leading global manufacturers of interior and exterior materials for drywall construction.

The Siniat brand is trusted around the world for its effectiveness in the building of quality living and working spaces, by specialising in smart solutions for lightweight construction systems.

In Australia, Siniat products are manufactured by Etex Australia Pty Ltd. Plasterboard is manufactured in our factories in Matraville (Sydney, NSW), Altona (Melbourne, Vic) Bundaberg (Qld) and Hazelmere (Perth); compounds are manufactured in Altona and metal products are manufactured in our roll-forming plant in Beenleigh (Brisbane, Qld). Our products are distributed by an national network including company owned stores, Plastamasta outlets and other independent distributors.

Siniat's comprehensive range of quality wall and ceiling lining products are developed with specific characteristics to **enhance performance and provide fire, water, acoustic and decorative solutions** to all construction projects.

To find your nearest Siniat distributor go to **siniat.com.au**

A cornice profile is an important detail to complete the look of any room.

Suitable for creating classic, elegant, contemporary, bold or sharp finishes, the Siniat range of cornice profiles helps achieve the perfect look for building interiors.

profile name	profile look	profile	length	can be used for retrofitting
oceanlook		88mm	4800mm	Over existing 55mm cornice
steplook 2		55mm	4800mm	
steplook 3		75mm	4800mm	
reeflook		75mm	4800mm	
classiclook		55mm 75mm 90mm	from 3000mm to 5400mm
