KNOX ENTRANCE SOLUTIONS

- ▶ New products with Multi-functional lock
- ▶ Modern styling with superb designs for user comfort
- ▶ Available in all the trending finishes - Brushed Nickel, Graphite Nickel, Matt Black & Satin Brass

THREE OPTIONS – ALL IN ONE LOCKSET

DEADBOLT FOR EXTRA PROTECTION

Knox has a key-operated double-cylinder deadbolt with a robust 20mm throw, providing enhanced security for your possessions and valuables when the home is unoccupied - extra peace of mind.

SNIB FOR PEACE OF MIND

Lock the Knox by pressing the snib button on the inside of the door, ensuring security from the outside while allowing safe exit in emergencies by simply turning the inside lever to unlock the Knox.

PASSAGE SET FOR EASE

Unlock and unsnib Knox for seamless operation just as a standard passage set, allowing free access in or out of the home.

INTRODUCING ZANDA COMMERCIAL HARDWARE

We're excited to introduce Zanda Commercial Hardware, a new offering dedicated to the Commercial and Projects market. This expansion of our services allows us to better attend to the specific requirements of our Commercial clients with tailored solutions and expertise for large-scale projects.

Zanda offers a full door hardware scheduling / specification service for builders, architects and designers saving you time and money throughout your planning process. This ensures:

- ▶ Compatibility of door hardware items
- ▶ Australian fire rating, disability compliance and other regulations are met.
- ▶ Every door type and configuration is accounted for
- ▶ The finishes are consistent throughout your project
- ▶ Potential pitfalls are prevented.

Simply provide us with your floor plans and we'll prepare a detailed door-by-door schedule that fully addresses your requirements.
