Dear Jimmy,

I am here in Jerusalem hosting the leaders of the nation at a summit at your Friends of Zion Center. I will also be hosting the president of Fiji and his cabinet as they open their embassy in Jerusalem. I am also meeting with the president and prime minister of Israel as I work on plans for the Ambassador Summit with 1,000 pastors which will be held in December.

It's hard to believe that almost two years have passed since the Hamas invasion on October 7, 2023. That was the deadliest single day in the history of the modern Jewish state...the deadliest day for Jewish people since the end of the Holocaust.

As I was writing this letter to you, I got an urgent call from Israel asking for our help from two precious mothers who are still hoping and praying for their sons to come home. Guy Gilboa Dalal and Evyatar David were kidnapped on October 7, 2023, and have now been hostages for more than 700 days.

They are literally starving. The video that was released of them showed the shocking weight loss they have endured along with physical torture. All of the hostages and their families need help right now, and they are asking us because of all we have already done.

This tragedy is not history...it's still happening every day. Jewish people still have to rush to bomb shelters. Jewish soldiers still are struggling to recover from their injuries. Jewish widows and orphans are still mourning the loss of husbands and fathers. Jewish families are still hoping and praying for their sons, grandsons, husbands, and brothers to still be alive...and to be released to return home.

The fate of the 50 hostages still held in Gaza (sadly, only 20 or so are believed to still be alive) is a prime demonstration of the demonic brutality of Hamas. These people are being tortured and starved and used for propaganda. But the world

(over, please)

just looks the other way, ignoring the evidence Hamas is happy to spread as a boast of their power.

Yet despite the unmistakable truth that Hamas started the war, much of the world is blaming Israel for responding!

It's an outrage for the victim to be blamed.

Many nations are pushing Israel to end the war without victory over the terrorists who want the Jewish state destroyed.

This is a deadly dangerous threat because if Hamas stays in power, the war will never really end. And if the concession demanded is the establishment of a Palestinian state – something many countries including England, France, Canada, and Australia have announced they will do at the United Nations a few days from now – that would be catastrophic for Israel.

It's tragic that these allies who once stood with Israel are turning their backs on the Jewish state and rewarding the terrorists who are trying to kill innocent Jewish people. Make no mistake, a Palestinian state would simply be another Gaza...a place to launch more and more attacks on Israel from even closer range.

My friend of 45 years, Prime Minister Benjamin Netanyahu recently highlighted the problem in an interview:

"That's the crux of the problem. The real reason that this conflict persists is not because of the absence of a Palestinian state but because of the persistent Palestinian refusal to recognize a Jewish state in any boundary. If you give them a Palestinian state when they haven't abandoned the goal of destroying the Jewish state, all you're doing is bringing the next war closer."

He's right...but the sad truth is that Israel is losing the propaganda war. The lies being told about Gaza, Hamas, Israel, and the Palestinians are spreading around the world. And the sad truth is those lies are working.

You see, Hamas does not just have a military strategy. While they had great success in their initial surprise attack, Israel's military quickly responded and has been demolishing

(continued)

Hamas strongholds ever since. There is no question how a straight up fight ends.

That's why Hamas is also trying to break Israel with a campaign of propaganda and lies. They steal food and aid provided by the world and sell it to suffering Gazans at a huge markup...and then blame Israel for the "famine." And the world is happy to go along. One United Nations agency even changed their official definition and characteristics so they could falsely claim there is a famine.

Photos of young children "starving" in Gaza have been proven to be fakes and lies; yet proof doesn't convince those who want to hate the Jews. Debunking the stories isn't changing popular opinion.

Because so much of the liberal media hates Israel, they are happy to go along with the lies. So they are spewing out whatever Hamas sends them without regard to the truth...and people, especially young people, are believing the lie.

Poll after poll shows sharp declines in support for Israel, most prominently among young people. The Muslim oil states have poured billions into funding American universities and colleges and the anti-Semitism being spewed is a direct result.

That's why our Ambassador Program is so vitally important to Israel's future. The young people of today are the leaders of tomorrow, and we must counter the lies they are being fed with the truth. We already have the first 1,000 pastors and leaders signed up for the program, but that is just the beginning.

It is the great privilege of my life to be your ambassador to Israel. I want to pour my life into 1,000 ambassadors this year, providing them with the curriculum and the resources to be the brightest light of love and comfort...a light that will save a multitude of Jewish lives.

If you invested one dollar in each of these 1,000 ambassadors with a gift of \$1,000, it would be a huge answer to prayer. Even if you invested 10 cents or 20 cents in these 1,000 ambassadors, your gift of \$100 or \$200 would be a huge answer to prayer. I am praying that a few can invest \$10 dollars in 1,000 ambassadors with a gift of \$10,000.

(over, please)

God has given us the vision of enlisting 1,000,000 ambassadors from all over the world. Truly, this a great challenge, but it is also a great opportunity. These pastors and leaders represent a quarter of a billion people. And by reaching those people in their own communities, they will be the front line of defense for Israel from the campaign of lies.

This outreach will change the world. It is the most important thing we can do for Israel. Prime Minister Netanyahu has told me that more than once. We must pass the torch to the next generation.

We cannot...we will not...we must not...turn our backs on Israel. Not now. Not ever. As we cross this tragic two-year milestone of the deadly Hamas attack, we must rise up and say with one voice: "No, Israel, you are not alone. No, we will not believe the lies; we stand with you. We will fight for the truth!"

I'm asking you today to show your support in standing with the people of Israel and doing your part to fight the war they can't win alone. I'm asking you to stand with the Holocaust survivors. Stand with the victims of war. Stand with the hostage families. And confront the lies and evils of anti-Semitism through your support of the Ambassador Program. With your help, this is what your Friends of Zion Center does every single day.

The nation of Israel has never faced a more severe threat since its miraculous rebirth in 1948. God is calling us to join hands as a defense of the Jewish people, and we must answer that call together. Thank you in advance for your generous response.

Your ambassador to Jerusalem,

Dr. Mike Evans

P.S. The plans to expand the Ambassador Program are ready to go, but we cannot move forward without the needed resources. The gift that you send today will go around the world and echo into eternity. It's a wonderful investment in God's work and in the defense of His Chosen People, and He will see what you have done and bless you according to the promise of Genesis 12:3.

RICH AND KRISTA Moeller MISSIONARIES TO SCOTLAND

Dear Faithful Prayer Warriors,

It was a very exciting day... the day Krista and I were reunited! It wasn't just exciting to be back together, but to know that we were able to get started together with our ministry here in Scotland. Thankfully, there were no delayed flights and no problems at border control. The Lord brought Krista to Scotland without a hitch!

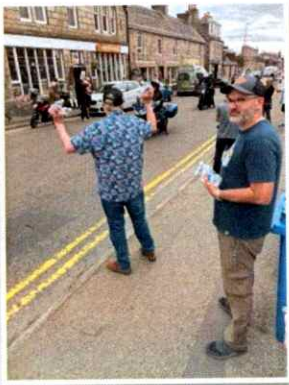

The church welcomed us all "home" with a love feast! This was done for Krista, me, Matt, and his family. It was a packed Sunday, and we were so **blessed** by everyone who came to welcome us all.

We were **blessed** to be able to stay with my parents upon arriving in the country. It was nice and "cozy" with eight people, one dog, and one bathroom. My brother, Matt, and his family returned to the mission field the week before Krista arrived, and we were all staying together for a month. Matt and his family were able to find a home in the Aberdeen area (two and a half hours east of Grantown), and we were able to help them move to their new home.

Because of your support, we have been **blessed** with a reliable vehicle to get us around. Unless you are living in a big city, a vehicle is needed in Scotland. We have been able to give rides to church members, including the chance to take a lady to see her son play football (soccer) for the first time. It was fun to support him, watch him play, and give that gift to his mom. We are enjoying reconnecting with people in the church as well as getting to know new people. The high school had a talent show, and we were able to attend and support a few of our youth at the event.

Krista has been busy helping my mom and taking turns teaching children's church. We have been averaging nine kids a Sunday! Krista and I have also been teaching the youth group on Sunday mornings. We have been going through an apologetics series. We are so **blessed** to have great conversations, and one of our teens has had the opportunity to have discussions with other classmates in the high school. The children's ministry and teen ministry are so exciting for me, as there weren't any kids or teens to have this going when I left just over two years ago.

We were able to participate in an outreach in Grantown during Thunder in the Glens. Thousands of people were out and about for the event. We passed out water, passed out tracks, and opened up the church doors for the use of the toilets. My mom was able to share the Gospel with a gal, and many people were invited to church.

Our hearts have been broken over recent events occurring back home in the US. However, we are encouraged, as I had a great opportunity to speak to one of my parents' neighbors about living a life for God because of Charlie Kirk's death. The neighbor has been coming to church off and on for the past few months. He didn't have a Bible, so we have been able to bless him with one. We are praying that this is a true turning point for this gentleman and that there will be true growth for him.

Another piece of exciting news is that Krista and I found a home! It is in Boat of Garten, which is 15 minutes from Grantown on Spey and the church. We are excited about how God might use us in this new community.

During all of this, it seems like every part of our family has been dealing with health issues that have landed us in the hospital or doctors' offices. It has been a season of trying times, but our Lord is faithful, and we keep reminding ourselves of His promises. **Please pray** for us all as we continue to navigate through some health issues.

Since being in Scotland, we have had some churches fall on difficult financial times, and they have needed to drop their support for the time being. **Please pray** for the Lord's provision as we navigate this loss of financial support.

Thank you for your faithfulness!

God Bless
Rich and Krista Moeller

Dear Friends,

Many of you know that each quarter I share an update on the number of people saved and baptized through the ministry of those you support through Barnabas1040. I will continue doing that, but recently, as I was praying for our missionaries and pastors, I felt led to take a different approach.

I reached out to the men and women we are partnering with and asked if they had any personal prayer requests. I explained that I would pass those requests along to over 100 supporters so that you could join me in lifting them up before the Lord.

Not everyone has responded yet, but many wrote back right away. I'd like to begin sharing some of their requests with you and invite you to pray with us. You may also want to encourage your congregation to join in praying for these faithful servants.

To make it easier, I'll send the requests in smaller portions rather than all at once, so you can take the time to read and pray over each one. For some, I have summarized their prayer request, but others, I have pasted their actual responses.

If you feel led to help in a tangible way with any of these needs, please let me know.

Before I send you the responses I would like to ask you to pray for Dennis and Holly Logos, missionaries in the Philippines. Holly had a seizure and is in the hospital for clinical observation.

Thank you,

Couple of days ago I read your email and very happy to share on pressing need in here if you can share this need may Lord open some door for us.

Pakistan is a population of 250 million people but unfortunately we have no printing material so we can take to our nation or to the 35 churches started by our graduates in all over our country.

We also have around 1.5 million nominal Christians all over Pakistan but no good books or any baptist material available for them.

We are praying for many years that if we have a digital printing machine with us will be a blessing for our ministry. There are very few people able to read English that is why we made a group of young graduates who are helping us to translate different books from English to our language in URDU.

The time you send this email it come in my heart that share this important need with you.

God bless you and thank you for your concern about us.

Your brother in Christ,

Pastor Asher"

1. Please pray for our national pastors and our youth camp ministry leaders that God would help them to grow more and win more souls for Him.
2. Last month we had 23 young muslim boys and girls received Christ through our camp ministry. We need your prayer for their safety as well as our pastors' safety. You know that the situation of Bangladesh is not so good. We are receiving a lot of threats and aggression from the Muslim community and their parents.
3. Pastor Joseph's church members are growing and now the church needs bigger space to rent. As you know that we are at the capital of Bangladesh (Dhaka). It will require more funds. We are praying for more funds to be raised.
We also need some equipments for the camp ministry (tents, sound system, games items, generator etc.) Please do pray with us for those needs we have that the Lord will provide.
4. Pastor Jorj Bose is raising fund for their church land. About 30% of the total amount is raised already. We need your prayers and support to buy the church land.
5. Pastor Joseph, Pastor Liton and Pastor John need motorcycles to go to different places to share the Gospel. The commuting is so expensive here in Bangladesh. Please pray for this need as well."

Teen conference

Greetings from the Campana's your representatives to Juarez, Mexico.

Family News – Praise the Lord, Sylvia and I are going to be grand parents! Our beloved daughter, Becky is pregnant, and is due to give birth in February. Our son, Daniel has moved back home with us, and is working as a youth pastor to our teens.

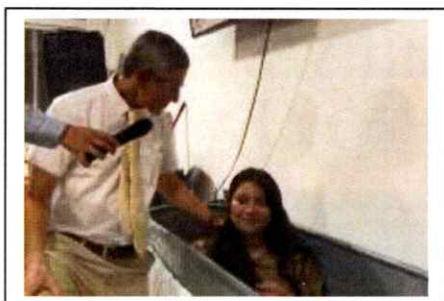

Ministry news – To God be the glory, great things he has done during the summer months. Sunday morning services are averaging 90 in attendance, with high days of over 100 present. Eleven precious souls have been saved and baptized, giving us a total of 23 baptisms for 2025! Among the baptized, is brother Elias Santillan who prayed to receive the Lord on his death bed, God then healed him, and he has been faithfully attending church for the past month. Another is Jesus Rangel who I led to the Lord on a street corner. Soon after he was baptized and has become a faithful soul winner and helper in the church. Currently, I am discipling six families. In other news, the Lord blessed us with 89 kids attending our July VBS, with several of them praying to receive Jesus as their Lord and Savior. During our first ever, Mini-Youth Camp, titled "*He is a chosen vessel unto me*," the Lord gave us 33 teens in attendance with 10 teens surrendering to full-time Christian service. Lastly, during our Sunday, August 6th evening service, our men prayed for six of our young and women who have since left to prepare for the ministry at Bible colleges in San Luis Potosi and Mexico City (see foto).

Project Juarez 120. During the month of August the property for which we have been praying for was sold to a supermarket chain and the buyers have since built a store. Disappointed, but not in despair, we have begun looking for other properties. This month Sylvia and I submitted a petition to the mayor of Juarez requesting property in our area to be used to reach the drug addicts, alcoholics and orphans. Financially, we are at 97% of our goal. Once again, thank you to all of you who have sacrificed to purchase property for a future church and school so as to reach precious souls in Juarez.

Please pray for God's guidance as to where to buy property, for more souls to be saved and baptized, for God's blessing upon our son Daniel who is pastoring our church teens, and for our daughter Becky who is due to give birth this February.

For His glory, Jim, Sylvia, Becky, and Danny Campana

On the Wings of Prayer

"Because thou hast been my help, therefore in the Shadow of thy wings will I rejoice."

Multiplying the Bread of Life

In Ecclesiastes 11, we have God's plan to change a world full of people who are spending their lives in things of no eternal value. We have the Bread of Life, Jesus. Jesus is what they need!

1. *Cast thy bread upon the waters (vs 1).* Give Jesus to the World! Give, Pray, Go!
2. *Give a portion to seven, and also to eight (vs 2).* Give Jesus to as many as you can.
3. *He that observeth the wind shall not sow (vs 4).* Don't be hindered by life's circumstances. They will happen. Do God's work regardless of the circumstances.
4. *In the morning sow thy seed, and in the evening withhold not thine hand (vs 6).* Start now and continue the rest of your life.

When we support our missionaries, we become part of their ministry and their ministry becomes our ministry.

President's Perspective

a message from David H. Snyder • President • Baptist International Missions, Inc.

September 2025

Thank you for your interest and financial investment in worldwide missions. Your gift is very much appreciated and will be used to glorify God as souls are saved throughout the world.

The work of missionaries does not stop after a church is planted. An indigenous church continues to have souls saved and disciplined long after the missionary has moved on. Rick Martin recently told an amazing story of how God worked in the life of a blind man through a graduate of the Bible college (Iloilo Baptist College) started by Brother Martin. Here is a shortened version of the story:

Samson Clorion was born Christmas Eve 1960. . . . When Samson was five years old, he got the measles and lost his sight. When he reached his teenage years, he tried to fill his days by making friends. However, these friends influenced him to smoke and drink. One day while he was alone, he realized how foolish he must look—a blind drunkard. That day he quit, but his life was still empty. He kept asking himself over and over “Why am I blind? What can I do with my life?” One thing that Samson could do was listen to the radio. One day, he just happened to tune in to a Baptist preacher talking about salvation by grace through faith in Jesus alone. He listened intently to every word. That day (in 1979) Samson received Jesus as his Savior. . . . One day one of the graduates of Iloilo Baptist College, Pastor Reymundo Porras, started a church in the village where Samson lived. Soon, Brother Porras saw the great love Samson had for Jesus. No one needed to accompany Samson to church. . . . Samson owned a cow, and so Brother Porras and Samson taught the cow to take him to church. So, he would climb on her back, and she would take him to church! Because of his desire to serve the Lord, Samson would try to visit people in his village. He would memorize the way to certain people’s homes. Although he would often fall while trying to walk on the slippery dikes between rice fields, he kept on. . . . Eventually, Samson Clorion went on to start the Tacay Fundamental Baptist Church and became their pastor!

This story encourages me to keep serving the Lord through whatever difficulties come my way. It also reminds me that my missions giving continues to work long after I have given it to a particular missionary. I pray that you will also be encouraged by this story. Thanks again for your generous giving. It is an honor to partner with you in worldwide missions. May the LORD richly bless you!

In Christ,

MINISTRY UPDATE

September 2025

"If we walk in the light, as he is in the light, we have fellowship one with another, and the blood of Jesus Christ his Son cleanses us from all sin." 1 John 1:6

Dear Brothers and Sisters in Christ,

We wonder where the year has gone and after a rather warm and very wet summer autumn is now upon us with storm systems and high winds leaving us with a mess, but of course it could have been much worse. Already we are planning for our Christmas Play!

Healthwise, we previously reported that Ian continues to regain his "Puff" following removal of part of his lung earlier this year caused by breathlessness. Although the specialist who gave him a lung function test said the lungs were compensating nicely, the breathlessness seemingly is returning. Cynthia is becoming remarkably mobile following her hip replacement operation and this is a wonderful relief after a long haul.

Our Church family continues to grow and lack of space is becoming problematical, particularly in the area facilitating our Children's ministry. Cynthia has two ladies, namely, Grace and Kornelia as Children's Sunday school workers who enthusiastically engage in their calling. It is a joy for us to see them growing spiritually in preparing for the classes. English Classes too are at capacity.

We had several of our young people attend Summer Christian Camp during the School Holidays in both the junior and senior groups. We are concerned that some of our children are now hitting the "Cool Years" of thirteen plus and our experience it's this is when the world gets them. Grace, the Lady aforementioned, volunteered as a worker at the Camp. (Camping in the UK is kipping under Canvas). Her participation has kindled an infectious enthusiasm and we have an ambassador in Grace who will no doubt recruit some of our number to be camp workers next year. This past Saturday we hosted a conference for the Society for the Distribution of Hebrew Scriptures; a group with whom we have followed for many years. This of course coincides with the attack on the Synagogue in Manchester last week. Hopefully we can make this an annual event and foster interest in this neck of the woods. We had some followers of the Society travel from Leicester who were encouraged to see a conference and would like some more please. Another lady who supports our weekly Bible Reading Hour at our local hospital attended and brought some friends, who similarly would wish people from their own church to know of future events. One visitor asked if we were the church pushing New Testaments through letter boxes as she had received a copy.

Last year we attended a meeting Hosted by Prayer for Israel (A U K Christian Charity) in nearby Coventry. In conversation afterwards with the speaker, he lamented that Coventry was hard work with seemingly most churches holding to "Replacement Theology" and knowing little on the pre-millennial position. Ian said that we were not in that camp and that he spoke for the Prophetic Witness Movement International and also; when we had our Church in Devon we had a group of believers where we had specific Prayer for Israel before having our mid week outreach meeting with Bible Study and lunch time soup and sandwich. Some months elapsed and this gentleman Kaleb, turned up at church with his extended family and have become regular in attendance. Whilst they are feeling us out they certainly engage and are fitting in nicely. A pity they have to travel quite a distance to be with us. The Prayer for Israel Podcast of last Friday certainly slams UK Prime Minister Kier Starmer in his recognition of the Palestinian State. Surely the government in the UK are bringing condemnation on our land. In 1066 these Isles succumbed to the Norman Invasion and is it not significant to note that 40 years prior, Britain had expelled the Jews?

We would covert your prayers for us. Some more of our people need to be baptized. Satan continues his attacks and we have some nasty, hurtful situations arise. A large Gypsy family came our way and whilst warmly received by our folk, their background is one of being blown around by every wind of doctrine. We think most of them loved being with us but for one strong "Diotrephes!" Sadly we see them no more.

Pray also for Cynthia's English lesson classes with Bible Module. She recently lost two who have acquired full time employment but still come faithfully to Church services. The following week five new Hong Kongers entered the class and then brought their children to our Friday afternoon Chess Club. Nearly all these children are in Church.

Because of Calvary,
Ian and Cynthia Jamieson

BRIDGING LONDON

In August, our youth group went away for summer camp. They had a wonderful time and we enjoyed hearing all about camp on Sunday August 24th. Please pray for spiritual fruit as most in our youth group have not professed faith in Jesus. We said farewell to Terry in August. He was a huge blessing to our church, but now is continuing his training for the ministry at another local church and at seminary. Please keep him in your prayers. Audrey and Daphne started back to school the first week of September. Audrey is in her final year of school before university and Daphne is in her last year of primary. Parents & Toddlers is a ministry for local moms and dads and their preschoolers. Every Thursday at 10am the children are served snacks, participate in making crafts, sing Christian music, and hear a Bible story. There are more than 50 individuals who come each week. Please be in prayer for those precious children and their parents. Most of the attendees do not know Jesus as their Saviour. The men of our church had a wonderful time at our quarterly Men's Breakfast on the 20th of September. It was a great time fellowshiping around God's Word. Our church joined with four other churches in our area for prayer, fellowship, and a study on the Trinity on Sunday September 21st. It was wonderful to worship with sister churches and hear about all that God is doing in their areas. Joshua had the pleasure of leading worship on Thursday the 25th at a London Pastor's gathering. There are all lot of faithful men serving the Lord all over the city. Please pray that God would continue to use them to reach the hearts of Londoners with the Gospel. We had the pleasure of baptising James on Sunday the 28th. Please continue to pray for him. Joshua and Ashley celebrated their 24th wedding anniversary on September 29th. Thank you all for your support and prayers!

HOMELESS NO MORE

And of some have compassion, making a difference... Jude 22

SUMMER REPORT

GREAT IS THY FAITHFULNESS

The Lord has been faithful to Homeless No More Baptist Church. He has been faithful by meeting the physical needs of the homeless, every week our people are clothed properly for the summer. Every week 160 plates of food was served after the church services. Hundreds of gallons of gasoline was used to provide transportation to the church, to the food banks and medical needs.

The Lord has been faithful by meeting the spiritual needs of our homeless. The rent money for the church has faithfully appeared every month and the AC keeps on working. The Lord has directed the footsteps of many people to the church. This summer we have witnessed 37 souls believe the gospel and called upon the LORD for salvation, 10 of them were baptized at the northside church. We have also witnessed at our eastside church 15 saved at the park. Between both locations 60 people come every week to hear God's word preached and taught. We have witnessed many changed lives. Yes without a doubt God has been faithful unto us.

Until then, God bless

Dear children's ministry,

Over the past couple of months we have had many ministries reach out to us and mention that they would like to teach the children in their church more about the life and ministry of a missionary. I pray that these letters will be a blessing and help in that area!

The life of a missionary can be a lot of fun. We see a lot of interesting things that you might not get to see in the United States. We often have to wait in traffic as a herd of elephants cross the road or watch as a monkey jumps on a nearby car. These things are cool to see, but our favorite sight here in Zambia is to watch someone accept Jesus as their Lord and personal Savior. One often thinks of a missionary as someone who lives a very far distance away from home that tells others about Who Jesus is, but did you know that you can be a missionary too? You can tell your friends at school about Jesus and invite them to church. Will you be a missionary like us and tell others about Jesus? I am looking forward to telling you more about missionary life soon!

Prayer Requests: Highlands Baptist Bible Study & learning the language of Tonga

Praises: Our work permits have been approved, clean water at our house, & many souls saved!

In Christ,

RICH AND KRISTA Moeller MISSIONARIES TO SCOTLAND

Dear Faithful Prayer Warriors,

It was a very exciting day... the day Krista and I were reunited! It wasn't just exciting to be back together, but to know that we were able to get started together with our ministry here in Scotland. Thankfully, there were no delayed flights and no problems at border control. The Lord brought Krista to Scotland without a hitch!

The church welcomed us all "home" with a love feast! This was done for Krista, me, Matt, and his family. It was a packed Sunday, and we were so **blessed** by everyone who came to welcome us all.

We were **blessed** to be able to stay with my parents upon arriving in the country. It was nice and "cozy" with eight people, one dog, and one bathroom. My brother, Matt, and his family returned to the mission field the week before Krista arrived, and we were all staying together for a month. Matt and his family were able to find a home in the Aberdeen area (two and a half hours east of Grantown), and we were able to help them move to their new home.

Because of your support, we have been **blessed** with a reliable vehicle to get us around. Unless you are living in a big city, a vehicle is needed in Scotland. We have been able to give rides to church members, including the chance to take a lady to see her son play football (soccer) for the first time. It was fun to support him, watch him play, and give that gift to his mom. We are enjoying reconnecting with people in the church as well as getting to know new people. The high school had a talent show, and we were able to attend and support a few of our youth at the event.

Krista has been busy helping my mom and taking turns teaching children's church. We have been averaging nine kids a Sunday! Krista and I have also been teaching the youth group on Sunday mornings. We have been going through an apologetics series. We are so **blessed** to have great conversations, and one of our teens has had the opportunity to have discussions with other classmates in the high school. The children's ministry and teen ministry are so exciting for me, as there weren't any kids or teens to have this going when I left just over two years ago.

We were able to participate in an outreach in Grantown during Thunder in the Glens. Thousands of people were out and about for the event. We passed out water, passed out tracks, and opened up the church doors for the use of the toilets. My mom was able to share the Gospel with a gal, and many people were invited to church.

Our hearts have been broken over recent events occurring back home in the US. However, we are encouraged, as I had a great opportunity to speak to one of my parents' neighbors about living a life for God because of Charlie Kirk's death. The neighbor has been coming to church off and on for the past few months. He didn't have a Bible, so we have been able to bless him with one. We are praying that this is a true turning point for this gentleman and that there will be true growth for him.

Another piece of exciting news is that Krista and I found a home! It is in Boat of Garten, which is 15 minutes from Grantown on Spey and the church. We are excited about how God might use us in this new community.

During all of this, it seems like every part of our family has been dealing with health issues that have landed us in the hospital or doctors' offices. It has been a season of trying times, but our Lord is faithful, and we keep reminding ourselves of His promises. **Please pray** for us all as we continue to navigate through some health issues.

Since being in Scotland, we have had some churches fall on difficult financial times, and they have needed to drop their support for the time being. **Please pray** for the Lord's provision as we navigate this loss of financial support.

Thank you for your faithfulness!

God Bless
Rich and Krista Moeller

Dear Supporters and Prayer Partners,

God continually makes Himself known during this time of deputation. This month I enjoyed attending the BBFI conference. I was blessed with the opportunity to fellowship with both missionaries and pastors.

I also traveled to churches in Oklahoma and Ohio. In these churches I presented my field, answered questions, and taught in Junior Church. These churches have a love for missions and were a blessing.

Faithfulness in Provision

Another church partnered with me in support this month. Also more money came in for my language school tuition, providing for the first year of schooling!

God also provided some money for my startup costs for Greece. I appreciate everyone's continued prayers for provision of these needs.

Hope for the Brokenhearted

A few months ago I mentioned the opportunity that God provided for me to offer counsel for and witness to my friend. This month as I was talking with her she asked me how she could be saved. Once again, I provided the gospel with her starting from the Garden of Eden and leading to the cross. The Holy Spirit worked on her heart and she accepted Christ as her Savior. I rejoice over her salvation and pray for her growth.

Prayer Requests

- Safe travel on roads
- More churches to present in
- Revival in Greece
- More partnerships in support
- Provision for startup costs

MISSIONARIES TO SOUTH SUDAN

SEPTEMBER
2025

Were Back

We are so thankful to write you with an update from South Sudan. After a smooth set of flights, we arrived safely, and the boys did great with the travel. Adjusting back to life here was a bit challenging at first, but by God's grace, we're all doing well and settling back into the rhythms of ministry.

Youth Camp

The week before our return, something incredible took place—our church held its very first youth camp, and we were amazed to hear that 67 youth attended. Even more encouraging, over 30 of them made significant spiritual decisions during the week. Many of them shared that God had spoken to their hearts about becoming pastors and missionaries. Praise the Lord! Please join us in praying for these young people that have been called. Our prayer is that we will faithfully help equip them for the work ahead. We are trusting God to raise up a generation that will boldly serve Him here and beyond.

New Ministry Opportunities

Upon arriving back, we've been encouraged to see how God has continued to work even during our time away. Many ministries have grown in number. One of the newest additions is a Monday night fútbol program for boys and girls aged 9–14. The youth are now leading this outreach themselves. They begin with a devotion time, followed by a time to play. It's been beautiful to watch them step up in leadership and faith. In addition, Mori, Peter, and Saada are leading Tuesday morning devotions at two local elementary schools, reaching young hearts with God's Word. The men's ministry has also expanded, with a monthly prayer breakfast on Saturday and a men's fellowship one Sunday each month. We're seeing real spiritual hunger, growth, and a deepening desire among the people to know and follow Jesus.

Family Update

Lincoln has started back at school and is enjoying it! Please continue to pray for both of our boys as we work through the process of their resident visa paperwork. We're asking the Lord for a smooth path forward.

The Lord continues to bless the preaching of His Word. I was invited to preach at one of the local Baptist churches in the area. It was a blessing for us to be with these precious people. One young man, Miguel Angel, received Christ as Savior during the invitation. I also had the blessing of leading Axel to the Lord. Axel came with his girlfriend Azury to church. Please pray for them to be faithful in attending church with us on Sundays. We also appreciate your prayers for their parents.

We had the joy of teaching in four VBS this summer. Many children and ladies attended the VBS in Agua Nueva. It is always a special blessing when we have the opportunity to minister to the people of this village. We started this church with Brother Sergio Urrea and his wife Rosa. His son, Abiel is now the pastor.

The VBS in Teresitas had to be moved to a temporary rented room. The building we have rented for years became unavailable. We are currently renting this room for Sundays and having Wednesday Bible study in a member's home. We are praying for a permanent place to rent for church services. Some of those who attended before are finding it difficult to attend as it is in a different colonia; especially the children. Although VBS was in a different colonia, the Lord blessed greatly. New children and ladies came to study God's Word with us. One lady, who lives across the street, made a profession of faith. Please pray for this ministry as we reach out to the people of this new area.

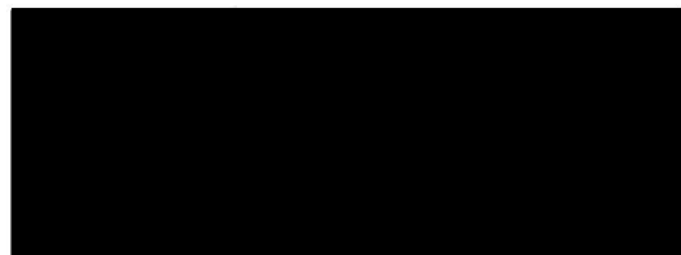

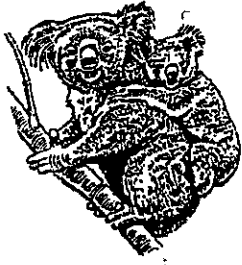

One VBS with Pastor Sergio and Rosa was in the village of La Joya. This Bible school is outside, in the evenings. The lessons were on "Jesus transforms lives." We praise the Lord for the decisions made in the lives of the children and ladies who attended these VBS.

We have also been going once a month to a local hospital where we can set a table up outside and give coffee and sweet breads to those who have loved ones in the hospital. They are not allowed to stay inside for a long time and wait outside for news of their loved ones. We use this opportunity to share the Gospel and pray with them. We also go once a month to a Christian medical clinic to minister to those who are waiting to see the doctors. What a blessing to reach out to so many with the Gospel. There are many opportunities to share the Gospel if one is willing to go. We thank the Lord for allowing us to serve Him.

Dr. Don Crain, USA director

Dear IABM partners and friends, *Pastor McNeil and Pleasantview Baptist family*

August was a time for me to make a **personal** trip to Adelaide, South Australia to be with our daughter to celebrate her fiftieth birthday. This was a precious time with family and friends for me. Upon returning in September, six days later, **on 10 September, I had a mild stroke.** It is a blessing that this was not debilitating. I am in recovery mode with hopes of full recovery and doing PT and OT regularly. The Lord has been gracious to me, and ones have been kind and helpful during all of this. **The time has come for a change.** The Lord has given me peace that **it is time to retire from IABM,** and this will mean **CLOSING the MISSION of IABM.** After **31 December 2025 funds will no longer be accepted for this ministry.** Any funds received after this date will be **returned.** All the remaining funds in this mission account will be distributed to the churches we currently support in 2026: Dalwallinu Baptist Church, Open Door Baptist Church, Wesburn Baptist Church, and Gospel City Church.

Some of you have been helping and praying since 1989, at the time of the inception of IABM, and others have come along in the years following. A big thank you goes to each of you. I am thankful to have been able to continue this ministry since my husband John's going home to be with the Lord in 2008. This has been a privilege and joy to me. My heart has not changed in the love and care for these Aussies and for the need for the gospel to go out there. **At 76 it is just time for me to make this change.** A special thank you to our Australian field director, Brenton Honeychurch, and to Dr. Don Crain, our USA director. **These men have been key in guidance, prayer, help, and encouragement through the years to me.** More than you could know! We arrived in Adelaide, SA, Australia in May 1984 as missionaries, and at that time there were no agencies there to assist **nationals** planting fundamental Baptist, Bible believing churches and the need was great for these pastors and churches and outreaches. My husband John, seeing this need, with the Lord's guidance, founded this ministry of IABM in 1989. Thank you to each of you for your prayers and support and encouragement along the way.

In Australia our four churches are on firm footing, as IABM steps back from financial support. What a privilege over these years to be able to assist these churches...more than twenty churches over the years. Prayers have been answered and victories won.

Pastors have been encouraged and helped in their ministries, outreaches have been supported, commitments have been made and lives changed! We give thanks to the Lord for all of this. You have been a part of all of this. My aims for the days ahead are developing. **I will be considered a retired missionary in the days ahead.** Although the regular quarterly letters about the Aussie churches will not be continued, please remember to lift these churches and pastors up in prayer in the days ahead. Your prayers for me in the coming days would also be appreciated. **You are part of my missions and real family. Your care for me over these years has been a huge blessing and much appreciated. This decision has been prayerful and is timely.** There has been good advice from our USA director and the CMC team in all of this, and this decision of closing IABM and becoming a retired missionary was made before leaving for my time in Australia in August. ~~It is a new stage in my life where I will continue to serve and~~ love the Lord. **To God be the glory, great things He has done!**

Love and prayers,

Emma + the IABM team

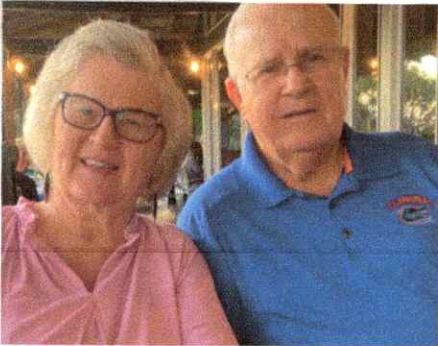

Emma Napier and the IABM team

P.S. Please direct any questions to my personal email jgnapier7@earthlink.net, or home phone 434-525-2483, or mail to me at 102 Minuteman Drive, Forest VA 24551.

P.S.S. Some of you receiving this letter have been sending personal support to me directed to my personal support or the account of NAPJ. Thank you for your prayers and support over the years. **This other account will remain open for those of you who decide to continue support in my retirement.** No changes for you in the way you do this. For those of you who send your support to IABM through CMC and choose to send personal support to me, just designate that any funds sent after 31 December 2025 should go to my personal support now. Funds will continue to be accepted through Central Missionary Clearinghouse (CMC) for me. My communication in the days ahead will be by email mostly, so having your best email address would be helpful if you decide to continue my personal support. Your prayers are much needed in the days ahead!

MARTY AND JESSIE STARLING

TO THE HISPANICS OF NORTH FLORIDA

"Reaching out to a people that is 'religious' but lost"

July-August-September 2025

Prayer Warriors and Supporters,

We are in a growth period in our ministry. In the church in Starke, God is moving in peoples hearts. The attendance has increased. The spirit of the congregation has improved and new families are coming.

We now have a larger variety of nationalities in the congregation. It is beautiful to see the people work together to accomplish a church activity. Celebrations after services for special days have been successful and very well attended. Also several workers that work in an Alligator Farm nearby are coming and participating in the services and activities. Three of these men have accepted Christ recently. **Pray the others will surrender soon.**

Recently a "Celebration of Life" of one of the members, was a blessed service in the church. A couple who were some of the first converts in the church here in Starke had pneumonia and covid. They called and ask us to come over and help them by calling 911 and being there when the rescue unit would arrive. This brother said that both he and his wife needed to go to the hospital. We called and the rescue unit came and took them to the emergency room.. He survived it with the medical attention, but Anita didn't make it through and passed away. However, her funeral was a blessing in many ways. Our church was able to have its first funeral in the new location. Because of their years here in the U.S., they had both family and friends to attend. We were able to preach the Gospel and relate the testimony of this dear lady. She and her husband came to know Christ at our house about 11 years ago. Many people that came to the funeral heard this message for the first time. We're praying some of them will return to the services. Pray for Brother Santos as he adjusts to being without Anita.

God is blessing our outreach. June 14, I spoke at the Hispanic Fellowship meeting in a nearby location here in Florida. We had 250 or more in attendance. June 30 the church here hosted the Hispanic Pastors meeting. We had a great time. We are participating in fellowship with a number of hispanic churches. Pray for these churches. They are located here in Florida.

Three families have come up from Lakeland, for six weekends each to help us in the church work. (In pic below). Three men have come to Christ in the last two weeks; Mario, Alexis and Jaime. Pray that we can baptize them soon. They have friends who we believe will soon come to realize their need to accept Christ also.

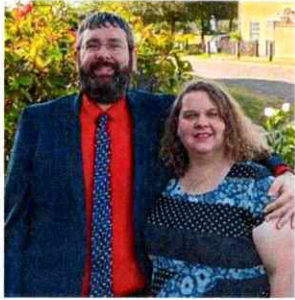

In Mexico, God is working in places we've never been. Pray for these Pastors. Some were our students. Also pray for our son Mike who is doing a great job in the ministry at Rancho La Paloma Youth Camp. 100's attend. Pray for my sister Betty, after many years of faithful ministry, her husband Roman Alvarez passed away.

Pray for the churches we have established over the years. We ask that you pray for some decisions we must make for our work to advance here. **Don't forget there are over 66 million Hispanics in the USA.** Thank you for your support both in prayers and financial help. God bless you as you continue to help us in this endeavor.

Thank you so much, Marty & Jessie

Anita is now with the Lord. The kids playing on "Kids Day". The Trejo families (in the pics) have come up from Lakeland to help on weekends. They were a blessing. Now Daniel Ramirez and his wife are coming up to help us here. Pray that soon we'll have a couple that feels called to help permanently here in the Starke church.

Caleb and Deana

Missionaries to the UK

August/September 2025

Greetings from the UK.

We have finished our first session of twelve weeks to freedom, and plan on starting our second session once we return to the UK after our furlough. Although twelve weeks to freedom is over, our work is not. We were able to transition two of our men from twelve weeks to freedom, to the "Continue" series by Paul Chappel. Continue takes new Christians through basic doctrine over fourteen weeks. While I am gone, my co-laborer, Donovan, will take these men through lessons week after week.

Please keep these men in your prayers, as one is certainly lost. A couple of weeks ago, I had the opportunity to sit down with these men and spend two and a half hours going over salvation. At the end of our conversation, he said he didn't know if he could believe, but he is still coming to church, and still coming to Continue. As long as he is willing to listen, we will continue giving him the gospel, and we pray that he comes to a saving knowledge of Jesus Christ.

As for our furlough, we leave for the US on July 30th and we will be landing in Tucson, Arizona. The Lord has answered our prayers, and someone from Deana's original sending church will allow us to borrow their car while we are in Arizona. We have a meeting for every service in August, although we still have a couple of openings in September.

Please pray for our safety and our health as we travel. We would also ask that you pray that we gain more support and that we are a blessing to the churches we visit. Also, pray for Peacehaven Baptist church while we are away, particularly for Donovan and his family's health.

Thank you for your continued prayers and support.

TIM LEE MINISTRIES

Patriotic Partner Newsletter

SEPTEMBER 2023

*"Grace be unto you, and peace from God our Father and from the Lord Jesus Christ.
I thank my God upon every remembrance of you."*

Philippians 1:2-3

SPECIAL REQUEST

I want to share something important with you. Our Patriotic Partners and supporting churches have been a vital part of Tim Lee Ministries for years. To say that we could not survive without you is not an exaggeration! Prayerfully, I'm asking for you to help me a little more. Some of you are giving all that you are able. I'm not speaking to you—just those who can do a little bit more. The cost of airline tickets is outrageous! Many times, the price for a coach ticket is close to \$1000. Connie travels with me and is a big help. So two tickets can be close to \$2000! Rental car expenses have gone up as well. Our travel expenses can be a challenge for a small to medium-sized church. Most larger churches can handle the travel expenses without any trouble. I want to raise extra support so that when necessary, we can subsidize as much as \$500 of our travel expenses. If you can increase your support and designate it towards "Travel Expense" each month, that would be a huge blessing! On the return card, you can let us know what you can do over and above your regular giving. For those of you who have supported us for a while, you know that I don't do this type of thing regularly. I hardly ever do this. Please pray with me about this need.

Very proud of our granddaughter,
Sara Beth who finished college in
just 2.5 years at Liberty University!
Way to go Sara!!

August 3rd, Connie and I were in Milton, Florida, at Pine Terrace Baptist Church. This was our first time being with these wonderful folks. Pastor Nathan Brown and his team had prepared excellently for this special day. You know my saying, "It's hard for lost people to get saved if they're not there." Well, it was Friend Day, and the people had indeed invited their friends. **Forty-three came for salvation!! Sunday evening, I spoke to the men of the church and nine men came for salvation, and five men came to surrender to preach the Gospel!!** It was a glorious day. To God be the glory and honor.

On Monday evening, we drove from Pensacola, Florida to Dothan, Alabama to Ridgecrest Baptist Church. This was my first time preaching for Pastor Ray Jones. They bring in a special speaker each Monday of the month. They, too, had a great crowd and many visitors. The altar was full during the invitation with **eleven coming for salvation**. Praise the Lord!

August 16th and 17th, I was at Moundville Baptist Church in Moundville, Alabama. Connie stayed home for some well-deserved rest. Tim Lee Ministries board member, Jerry Walls picked me up at the Atlanta airport. Jerry is a dear friend and he was a huge help to me over the weekend. Saturday evening was a special men's meeting and of course, we had a delicious meal! **Three men came for salvation**. Sunday morning was wonderful and **we had six more came for salvation!** This was our first time to be with Pastor Jason Duckett and these great people.

With Pastor Jason Duckett and his family.

Thank you again to each of you who are supporting our ministry both monetarily and prayerfully. We definitely need your prayers. Please pray about the special request above. I appreciate each of you more than you know.

Dear Pastors and Friends of the IBFI,

I would like to give you a brief update concerning Norris Bible Baptist Seminary. The Opening Day Rally was held on August 12, with about 65 people in attendance. We are continuing to hold classes at Worth Baptist Church as the construction of the new facility advances.

I hope you are making plans to attend the Fall Fellowship Meeting on October 13-15. We have a great meeting lined up at the Grace Tabernacle Independent Baptist Church in Mobile, Alabama, hosted by their pastor, Michael Wiggins. They are graciously hosting a dinner for all who come at 6 PM on Monday evening, and breakfast on Tuesday and Wednesday morning. This year's theme is **"Co-Laborers Together with God"**. I hope that you are able to join us and be greatly blessed and encouraged by the preaching, and enjoy the camaraderie among other preachers.

Enclosed is a flyer acquainting you with the schedule and the speakers. I have also included an offering envelope. I certainly hope you will be with us. If you are unable to come, I would like to encourage you to send your offering to the IBFI office (PO Box 151259, Fort Worth, TX 76108) with the memo "October Fellowship Offering". Your gift will help us reach this year's goal of \$45,000.00.

Please be in prayer for this meeting. If you have any questions, you can call the IBFI Office (817-367-3422 ext. 100) or myself. I am looking forward to seeing you next month in Mobile, Alabama.

A fellow servant in Christ,

Eric Crawford

WORLD *Mission* BAPTIST *Agency* FELLOWSHIP

September 2025

Dear Prayer Partner,

This past month I received a letter from one of the first among those who trusted our Lord in the work in Maués, Amazonas. Her name is Aguida Hifume Shirayanagui, and she is a pastor's wife in Manaus, Amazonas. She writes, *"The teachings our family received through the teaching of the Word of God, and the example of life, we grew in the grace and knowledge of the Lord Jesus Christ. I speak for myself, but I know my sisters can say the same. Thank you for coming to Maués."*

Aguida was a member of the Nuns Club when we first arrived in Maués. It was at a club meeting the Nun in charge said, "Be careful there is some poison in town." Aguida's thoughts were, *"My father is a farmer and maybe this poison will kill the ants in our garden."* So, she visited and found a poison that was later accepted by her entire family. Eventually her family came to know the Lord. The work in Maués began in the home of a Japanese immigrant who had trusted the Lord while serving in Korea before World War 1. It was there that He accepted our Lord as his Savior. He told me on my first visit that he had been praying for many years for God to send someone to teach and preach the Word. This was our Macedonian call.

Perhaps you are reluctant to give to give by faith to missions believing your giving can't do much for the Lord's work. Nothing could be farther from the truth. While God appreciates the large gifts, He really wants the continual, persistent, faith devoted giving. What Aguida and her family have become is fruit to the account of those who gave and in many cases continue to give.

Unworthily His,

Wendell Fiers

Dear Partners and Friends,

Mark 16:15 "And he said unto them, *Go ye into all the world, and preach the gospel to every creature*"

We are following the Lord's command and going to all the world and preaching the gospel to every creature. Whether it is in Myanmar, India, Africa, Nepal or the United States, our aim is to reach the unreached masses with the good news that Jesus saves!

We are still planting churches, teaching pastors, caring for orphans, and working with nationals to accomplish what God has given us to do.

We recently received word that Pastors Kelvin and Alex held a crusade in Turukana and thirty precious souls came to know our Jesus as their own Lord and Savior!

Salvation camps are planned for September as our staff pastors prayerfully reach out to the multitudes of lost people even in the dangerous areas where bombings and terror are common to everyday life. Thank God for faithful national servants that are active every day. Please pray for their safety.

We believe training and working with nationals is the answer to reaching the world for Jesus because there is coming a time when the American missionary will not be allowed in those countries.

Thank you for all you do to help us do what God has called us to do!

Because of HIM,

Hello Pastor & Precious Church family,

“First, I thank my God through Jesus Christ for you all,...” As I consider how God would lead me to write this letter, I am reminded that our prayer letters are the lifeline between us and our supporting churches, and we are accountable to you. Our letters include family matters as well as ministerial trials and victories and each letter comes from our heart! ❤️ We are preparing (*on deputation*) to return to Brazil **on your behalf**, and it is our honor to go for you.

Blessings – Since August, God has kept us safe and has supplied our needs as we travel from state to state reporting & seeking additional support in many churches. It has been such a blessing, different - none the less, a blessing to be traveling just Isa and I. Being a little bit older since the last time we did a furlough (*8 years to be exact*), the wear and tear on our bodies scream every time we see rest areas. 😊 One of the many blessings, when on deputation, are the mission houses / prophet's chambers that many churches have. The churches we have been to have gone out of their way to show their generosity and hospitality. It may not be home in Brazil, but it is a home away from home - *thank you!*

Prayer Needs: 1 - We lost quite a bit of support when we came to work at the Mission Office. We are needing to raise an additional **\$1,300 per month**. **Please pray** that God touch the hearts of the churches we are scheduled with to **partner with us through prayer and financial support**. 2 - Once we return to Brazil we will need a **field vehicle**. We are asking God for **\$25,000** for a **used car**. **Please pray** with us and if God leads you to **please help us with this important need**. We will keep you updated as to the progress. 3 - We will need to **lease a house/apartment** as well. **Please pray** that God open doors for us to find the place that He wants us to have.

Until next time, **Thank you** for your **prayers** and **sacrificial giving!**

Always for Jesus Christ,

Independent Baptist Church in New City

Day after day we are reminded of God's love and provision for us. As the month of September gets under way, please allow me to share with you some praise items and prayer requests.

Praise items:

1. We now have the funds needed to finish phase 3 of the construction project for the church here in New City. This will include: a small "fellowship hall", two classrooms, three bathrooms, a kitchen, and a roof over the entire building. Hopefully we will be able to move into the already finished part of the building by the end of November, while construction continues on the rest.
2. We are now at roughly 63.50% of the funds needed to completely finish the building! Our heartfelt thanks go out to each church that has partnered with us in the matching funds building campaign for the church here in New City!
3. We continue our regular meetings in a rented facility. Although we have seen no conversions this year, we have had 22 first time visitors in our services, each one clearly hearing the Gospel.
4. We just finished our 2025 **Faith Promise Mission's conference**. Despite the loss of a large family since last year, our people made a pretty outstanding commitment to missions for this year!

Prayer Requests:

1. For the remainder of the building project, we are praying for \$67,500.00 from our U.S. partners, and \$13,500 from our congregation here. If the Lord touches your heart to help us reach our goal of \$67,500.00, please consider sending an offering to us through our mission agency, designated the Matching Funds Building Campaign.
2. In September, the ladies host an "evangelistic tea," inviting ladies from all over the community to a time of tea and coffee, conversation, and hearing the Good News.
3. Please pray for our first neighborhood **house meeting** of the semester, when our church members will be inviting their unsaved neighbors, family, and friends to their homes for an informal time of getting to know who we are, having some coffee, and hearing the Gospel.
4. Please pray as we canvass, invite people to church, and seek other methods of spreading the Gospel. We are looking forward to doing what we can to share God's love with the lost of our community.

Partners in Training

Since the pandemic hit in 2020, for a lack of online class setup, as well as a scarcity of willing and qualified teachers in the years following, our Bible Institute has been unable to operate. However, during this time, we have been praying that the Lord would open the door for us to start having classes again. Then, in June of this year, through a phone call from fellow missionary Frank Brim in the state of Bahia, we have been given the opportunity to once again offer full-time institute classes to our students. His ministry includes a fully online Bible institute (the Fundamental Bible Baptist Institute of Arembepe) offering live and recorded classes for churches of like faith and practice throughout Brazil. He offered a partnership with our Institute. I will be able to help with the teaching responsibilities, and in return, our new and existing students will be able to get their much-needed Bible training and degrees. They will still get together for classes here, but they will have the privilege of being taught by qualified teachers of like faith, as well as be in a much larger online Zoom classroom with students in other parts of Brazil. This is a wonderful opportunity for all involved! Please pray for me as I get used to teaching into a computer camera! Even more importantly, please pray that God-called men and women will answer God's call and overcome the obstacles they face in order to prepare for the ministry. Thank you for praying for us!

"To open their eyes, and to turn them from darkness to light, and from the power of Satan unto God..." Acts 26:18a

NEW BEGINNINGS

Dear Friend,

Look at what God is doing!
Beth and I helped start parenting Bible study and discipleship groups at one of the international schools over 15 years ago.

Now we have trained parents to reach out to another school. And the new school year has just kicked off.

At one of the schools, there 4 language groups meeting together to learn the Biblical principles on parenting. Most of the parents are not believers, yet!

Besides the Thai, Korean, and English speakers, we find it so exciting that one of the biggest groups is in Chinese with Mainland Chinese parents from China.

Our ministry here in Thailand is truly reaching the world. We are in 15 different locations throughout Thailand!

We know of many parents who have already put their trust in Jesus and have become believers in our Savior!

The strategy is to use the parenting classes to challenge Christian parents to lead the groups. They become involved personally in helping to fulfill the Great Commission of our Lord by taking the Good News of forgiveness of sins through faith in Jesus.

The trained Christian parents lead the groups and we help the other parents in practical Biblical advice to develop better parenting skills.

It is at this time the Lord opens up loving opportunities to share the gospel.

Our excitement at the start of the school year is that we have seen so many new parents join the groups and many potential Christian leaders are new this year too.

Our prayer is that you see how important your prayers and support is, not only to sustain us as your missionaries, but also how significant your efforts are to build up the body of Christ here in Thailand and the world. May our Lord richly bless you!

Caxias do Sul, Southern Brazil

September 3, 2025

Dear Prayer Partners,

On July 19th, John's father passed quietly into eternity to be with the Lord. We praise God that we were able to be there before he departed. The funeral took place on August 7th, and John and one of his brothers gave eulogies about their dad. We're so grateful that we had a father that left us a great legacy, but above all, that he knew the Lord!

We had to cut out our trip to Kentucky, and our remaining time Stateside didn't allow to reschedule it. We were able to go to our two other destinations at a later date.

Our return flights to Brazil were originally purchased for August 27th, but due to the situation, we remarked them for September 3rd. Most of our packing was done two weeks ago, and we're heading back with six full footlockers! Please be in prayer that all goes well with our trip, and also that our flights will be without difficulties nor lost luggage. We're currently at the airport, waiting to board the first leg of our trip!

Our truck has been sold, and the trailer is now in storage. The trailer will be available for family usage as necessary, and ready for our next furlough. Our 37,750 miles of travel over the past year allowed us to minister and report to 61 supporting churches, 10 "new to us" churches, and 7 partnering individuals. We praise the Lord for His mercies and blessings upon our travels and ministering!

We are so ready to get back to the mission work in Brazil. We've been discussing with the Bennetts the plans for the remaining of the year concerning the teaching and activities. We also have some camp construction to do, particularly finishing out the bathroom facilities. We praise God for the funds He has provided us with towards this project.

Please continue to remember in prayer the following:

- Funds raised for our camp ministry facilities. We're currently above 37% of our goal.
- That all goes smoothly with our preparations to return to Brazil;
- Wisdom for the Bennetts as they lead in the work in Caxias do Sul;
- Bro. Jeremy Bennett's proficiency in the Portuguese language;
- The Brazilian leadership of Victory Baptist in Caxias do Sul: Jonir and Robson and their families.

We are always so grateful for your prayers for our family and ministry. May God bless you as you do your part in the cause for world-wide missions!

In His service,

John & Neila Yelle

Apoio Ministries
The McCutchen's
Missionaries to São Paulo, Brazil

Dear Pastor and Praying Friends,

September 9, 2025

In July and August, we had the joy of celebrating 35 years in the ministry! During that time, we traveled from São Paulo to Manaus to join Pastor Chad and the men from his church in North Carolina. Pastor Chad and his church have a special heart for the Transforming Lives Institute (TLI) in Manaus, a ministry founded by Pastor Paulo and his wife Eloina to reach the children and teens of one of the poorest areas of the city. We praise the Lord that they are part of our Apoio Family. When Pastor Chad first visited this ministry last year, he fell in love with the people. His church has since committed to return each year for the next five years to support the work.

Their team blesses the children in countless ways—bringing candy, gifts, games, and above all, genuine love. But even more than that, Pastor Chad challenged Pastor Paulo to have his people pray that God would raise up a pastor to begin a new church, with his church supplying the funds for monthly support. God answered! Pastor Plínio and Simone surrendered to the call, and a church was born. Pastor Plínio soon launched a campaign to plant this new church at ITV. To help further, Pastor Chad's church donated all the funds needed to host a special dinner for the children and their families at the Institute. More than *500 people* were fed that day, and most importantly, *13 precious souls* gave their lives to Christ on July 30th. It was an unforgettable event! That following Thursday, *3 teens and 3 men* from the Campo Sales work asked Jesus to be their Savior! This is a powerful reminder of what God can do when His people work together in unity.

In August, we returned to the States to celebrate (a little early) our 45th wedding anniversary. Our two adult children desired for us to take a 7-day cruise to Alaska. However, shortly after our return from Manaus, both Dana and I tested positive for Covid. The recovery took some time, and sadly, our trip had to be canceled. Yet, in God's goodness, we were able to reschedule for next year—another reminder of His faithfulness even in setbacks.

As I write this letter, we are preparing to board our flight back to Brazil today (Tuesday). We can hardly wait to be reunited with our people! God is stirring their hearts, and we rejoice to see them not only growing but also passing on what they've learned to the youth. Truly, it is a joy to witness lives being transformed and vessels being prepared for His service.

Thank you for your faithful prayers and support. We could not do this without you, and we thank God for each of you.

Thankfully received,
_____ July - August (Will receipt in Nov)
_____ Sept - Oct (Will receipt in Nov)

Fishing In Restricted Waters

Dear Friend,

We had a wonderful Parent Orientation for the new school year. We gave all the parents an opportunity to introduce themselves. Without any additional prompting, they all shared their personal stories about how our father worked in their lives to bring them to this school or how he worked in their lives through this school.

Some lived far away and were seeking such a school, but had none. We were the answer to their requests, and they uprooted their family and moved here just to honor our father with their children's education. Others knew about the school, but were taken on a journey by our father where they decided to walk the narrow road.

However, I most think about a certain mother who explained the difficulty she had with putting her son into pre-school. He was rejected by several schools. He is a bit hyperactive and definitely had struggles following instructions. In fact, you might remember that several months ago, I mentioned how we had a difficult conversation with this family. We told them that we also would not be able to accept their son unless there was some major improvement. We gave the family a book about what our father teaches about raising children, and told them we would give E another trial period after the winter break.

After the winter break, he was still quite a handful, and although my heart went out to him and his family, I said that we cannot accept him. However, his teacher, Ms. A, has such a loving tender heart, and she insisted on having more time to work with him. As long as she was not overwhelmed, I was willing to give her more time. Day by day, E is doing better and better to the point that Ms. G even mentioned considering letting him join his age group in Kindergarten.

During the Parent Orientation, Ms. G was introducing the teachers. As she introduced Ms. A, she shared how much she loves those children. She mentioned how Ms. A talks to our father about E every single day. As E's mother heard how much her son is loved, tears welled up in her eyes and streamed down her face. It's all the love of the father.

I know that when you give, it is also because of your great love for our father. However, you often don't know their names (maybe just their initials). You don't see their faces. You don't see their tears. You don't often see their smiles. You don't see the tears in my eyes as I write this, the tears that are there because we do get to see it. It's beautiful, and we are so grateful that we get to help you represent our father here. One day, you too will see it with your own eyes.

Grace and Peace,
The Torres Family

義

Two of Hope's teachers, Mrs. T and Ms. E attended a one week teacher training in another city, while Mrs. G and Isaac attended the same training online. After the training was complete Stephanie took everyone to lunch so we could talk about what was learned and how we can implement it in our school.

Near the end of the summer we held a teacher training week for the entire Hope staff. Isaac taught sessions on very important things related to our favorite book and Stephanie taught a few sessions about how to teach English phonetics, physical education, and proper food sanitation practices.

Dear Pastor, Friends, and Supporting Churches,

What a joy it is to witness the hand of the Lord moving mightily in the Philippines! We rejoice in God's blessing upon Pastor Jerime Valderama in Quezon Province as his new church plant has not only begun but is already meeting in a new church building. What once was just a vision and prayer has now become a reality, and the Lord is filling the house with new believers, families hungry for truth, and men and women eager to serve. Every brick and every seat is a testimony of God's faithfulness, and each soul that gathers is evidence that the Gospel still saves and transforms.

At the same time, our hearts are stirred by the obedience and faith of Pastor Sammy Medina, who has trained and sent out Pastor Nelvin Mortega to the city of Norzagaray, a bustling place with over 130,000 souls in need of Christ. Pastor Mortega and his team are faithfully going door to door, courageously proclaiming the Gospel to individuals and groups, setting up Bible studies in the homes of new believers, and investing deeply in those training at the Bible college of Christian Baptist Church in Santa Maria, Bulacan. This is not just a work of addition—it is the Lord building His church through multiplication, step by step, family by family, life by life.

The goal is clear: a Bible-believing Baptist church, led by a national pastor, strong in faith and fully self-supporting in the near future. Beloved, your prayers are vital for these church-planting efforts and for the ongoing labor across the Philippines where 41 churches, by God's grace, are already shining the light of Christ through the Faith Baptist Church Philippine Ministry. Pray for strength, provision, and souls saved, that Christ may be magnified and the Philippines won for the glory of God.

With love and gratitude,

THE BRIMS TO BRAZIL

Dear Fellowlabourers in Christ,

September 13, 2025

Greetings in the name of the Lord of lords and King of kings! God has been doing some exciting things in our ministry and we would like to share a couple of these!

We praise the Lord for the salvation of Roni and Lidianne. Please pray for this couple as they seek to grow in their walk with our Lord. Praise the Lord for saving the soul of Dona Zumba who is eighty-seven years old! Her husband, Mario, accepted Christ two years ago when he was eighty-six. Praise the Lord for His grace and mercy which is always available for all regardless of their age!

The latter part of last year I began to pray asking God for more teachers to help us in our online Bible Institute ministry. In June of this year, I called to talk to our colleague, missionary Kyron Horton. In our conversation, God encouraged me to ask him about teaching in our Institute. He not only accepted our invitation to teach in the Institute, but asked if we could form a partnership.

Since the pandemic hit in 2020, for a lack of online class setup, as well as a scarcity of willing and qualified teachers, their Bible Institute had been unable to operate. However, during this time, he had been praying that the Lord would open the door for them to be able to start having classes again.

Kyron will be teaching this semester and their new and existing students will be studying as students of our Institute. Kyron and the churches he has established are Independent Fundamental Baptist. We praise the Lord for doing above what we could ask or think!

This means that when those new students start studying, we will have students from five different states in Brazil., including our state of Bahia. This is because we also have three new students this semester studying from a Fundamental Independent Baptist church in the state of Piaui, about twelve hours from us by car! We bless and exalt our Lord for the opportunity to teach God's word online and be used to help others be prepared to serve our Lord!

For 20 years it was a blessing to have my wife Darla home school our children. She finished that journey last year. But now she has been allowed another chance to use her gift of teaching. She started teaching teenagers from our church to play musical instruments. Just last Sunday, one of her students played the hymn for the offering at our church on the keyboard. Right now, she has seven students learning the keyboard and another learning the clarinet. I thank the Lord for a wife who is using her talents to train others to praise the Lord.

We are so grateful for your partnership in our ministry. It is bearing fruit here in Northeast Brazil and others states through our Institute ministry. Thank you for your prayers and financial support. We could not be here without you. We remain...

Yours in the white fields,
Frank, Darla, Campbell, Cait, Sofia and Stefan Brim

Dear Praying Friends:

Bro. José Reyes and family have been laboring in the small town of Triumph, Chiapas for 15 years this month. They have been faithfully witnessing door to door, in spite of rain 7 months of the year and problems with health. Their adult attendance is 40, but there have been many more saved and baptized. Due to lack of employment there, folks move to larger cities for work. They ask for your prayers for them and for more souls for salvation and discipleship; his wife is afflicted with asthma and serious thyroid problems.

Bro. Francisco Villalpando and wife have been in Guadalajara for 15 years. He is severe diabetic and has lost one leg to the disease. However, he and others are visiting door to door at least three days a week. He recently had a severe angina attack, but seemingly has recovered. They have 80 members now, and just told me they had 5 saved last Sunday. Please pray for them and that church; Guadalajara is a strong catholic center.

A new mission has been opened in an area called Las Granjas, a new suburb of Tijuana. Bro. Natanael Aguilar began work there a few months ago. He and Bro. Emmanuel Cayetano are working together there, and reaching that colonia and an adjacent one. They are both grads of the bible institute in Tijuana. Although they went 2 months without seeing fruit, for the last 2 they have had someone saved every Sunday, in answer to their prayer. They had 37 in attendance last Sunday. They are meeting in a garage type building, and are praying to be able to buy a lot before they are all sold; this is a rapidly settling area. Please pray for this new work, that they may be able to do so, and to also get a large van for the work.

In the past 3 months, El Camino Baptist in Tijuana has had 170 1st time visitors and 30 baptized. They held 2 youth camps, with over 100 attending teen camp and 80 for junior camp. Bro. Jaime Leon, institute grad, has been serving as youth pastor and doing a great job. However, he has stepped down from that busy position, due to his precious wife's health. One month ago, Sarita was discovered to have terminal brain cancer; at that time, doctors said she may have a few months to live. She is 27 years old. Please pray for this precious couple.

Thanking you for your prayers for these and other ministries in Mexico, I remain

Yours in Christ,

Rcvd. June-August

Thank You

NEWSLETTER

September 2025

One of the shorter verses in the Bible is found in 1 Thessalonians 5:25 "Brethren, pray for us." I can only imagine all that was on Paul's heart and mind as he made that request. There are numerous Scriptures in which Paul described specific burdens he carried and trials he endured, but I imagine many times, he simply requested, "pray for us." I was recently reminded that when missionaries request prayer, they may not feel at liberty to share specific requests, but they need our prayers more than we realize. Please pray for our missionaries all over the world as they fight the good fight and continue leading people to Jesus! Even if they simply say, "pray for us," they need BIG prayers!

We have several missionaries on furlough now: Tom and Patti Wheeler, Joshua and Amanda McClure, Caleb and Deana Fielding, and John and Isabel Horton. Please pray for these families as they travel many miles, give reports to churches, and try to find moments to rest in between. Pray also that they are able to raise the additional support needed to continue serving the Lord in their respective fields. We pray these missionaries are a special blessing to you as we trust you will be to them.

Please be in prayer for missionaries Brad and Ronda Hastings. Recently, Bro. Brad's sister, Lexi Strickler, went home to be with the Lord. Please pray for their family in the days ahead.

Health updates:

Arza Brown has finally been placed on the list for a heart ablation sometime in Oahu. Please pray they will be able to do this soon and for Bro. Arza to feel much better.

Dorothy McClure needs our continued prayers to gain more mobility following her stroke. Please continue to pray for her daughter and son-in-law as they care for her.

Retired missionary Barbara Wimm needs our continued prayers as she continues battling progressive dementia while recovering from her broken hip. Her health has declined significantly in recent weeks. Please pray for Barbara as well as her family as they care for her during this difficult time.

Please continue to pray for retired missionary Gayle Sparks as she continues battling several health issues. Her kidney function is low as well as her hemoglobin. Also, she had a recent surgery followed by tests, and they are waiting to be sure the surgery accomplished all that was necessary. Please pray for Miss Gayle to receive some good results and to be healthy.

The following individuals in our missionary family need your prayers for ongoing health needs: Gary & Monnie Bacon, Dale Brown, Monoka Brown, Phil & Mary Gagnon, Ronda Hastings, Betty Hawkins, Norman & Jeanie Higgins, Mary Horton, Sandy Janky, Marjorie Malanowski, Terry & Gloria McClure, Dorothy McClure, Mark & Dana McCutchen, Linda Raley, Don Rowland, Gayle Sparks, Marty & Jessie Starling, and Barbara Wimm.

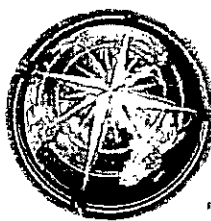

Thank you for being so faithful to pray for missionaries. Your encouragement means so much, and God is doing some wonderful things with His servants.

Thanks for all you do and keep on keeping on!

Joey Bacon

Prayers needed...

We certainly should always rely on the promises of God, but have you ever been in a situation where it seemed even more critical? We have found ourselves over our heads with life in the last several weeks. You might recall in our last letter, I mentioned that I had to do a second surgery due to some complications from the first surgery that I had in November. We thank the Lord that the surgery went well and I was able to schedule it during a time when we had a few weeks off from traveling. The recovery has been painful but not as bad as the previous surgery. I am still not back to normal, but getting there. The difficulty is the fact that I had to do this surgery in the United States where our international insurance has a \$3,000 per person deductible, plus a co-pay after that. We were told up front that we would certainly meet our deductible. Pray that God would provide for this need.

Second, a few weeks ago, Tiffany began having strange light arcs appear in her vision which is usually a sign of a detached retina. The eye doctor confirmed that she had had a previous retinal detachment but that she also had a hole in her retina that could only be repaired with laser surgery. The surgery went well and she has fully recovered, but once again, a \$3,000 deductible and co-pay. Once again, please pray for this need to be met.

Third, I have to share with you a more difficult health situation. Our youngest son, Caden (19 years old) has been losing blood off and on for several months. After several different medications, the doctor sent him in for a colonoscopy. We have discovered that he has Crohn's disease. He has been so sick for the last few weeks that he hasn't left his bed. For several days, he was not able to keep down any food. We have been getting several tests done to determine the severity of the disease and at this point, we are still waiting on some important tests to be done. The delay has been due to insurance. In Chile, we can get tests done very quickly but not here in the US. So he has not even been able to begin any medication. He has not been able to go to work nor attend any of his classes in person. This disease will require a lifetime of health care for him but we know God is in control and this is not a surprise for Him. Please pray for Caden. Pray that we can get the necessary tests done soon. Pray that he can get the medication that he needs. Some of the medications are very new with a lot of side effects, but the doctor wants to be aggressive with the treatment once it starts to get him into remission as quickly as possible. Pray also that God would provide for this as the cost will certainly reach the deductible. In all, our medical bills will be over \$9,000. Our home church has sent us \$5,000 to help with the costs. Would you consider helping as well? You all have been so generous over the last few years with our building program in Chile and I certainly do not like asking again, but we need your help. Any funds can be sent through BIMl, acct #1068, marked as "medical help". Thank you for all that you do for us.

VICTORY BAPTIST CHURCH

Greetings from Ed & Brenda

Sept. 17, 2025

We have had some health problems since our last letter. On 7/15/25 I had a biopsy of the prostate that was supposed to be a routine procedure. It was all but routine! For the next 4 weeks, I had to deal with catheter's, infection, and two trips to the ER that caused cancelations of prison and church meetings that were scheduled. The good news is all is healed now and the cancer has gotten smaller since the biopsy last year! Praise the Lord!

We have opportunities to open two more prisons and a county jail. We have a very busy schedule until the end of the year. Pray for good health, strength, and the power of God upon us.

I had a man call me who was part of the discipleship classes at the Venus Unit. He is doing well. He lives at a transition house in the Houston area. Praise God for fruit that remains!

Thank you for your prayers & financial support!
God is good all the time!

What's going on

It's the start of another school year at TCC, and we are excited to see how the Lord will move in the lives of students on campus. The club fair at TCC South was a great success—we were able to engage in conversations with over 80 students!

Ratio Christi has officially begun meeting this semester, starting with the topics "What is Apologetics?" and "What is Truth?" Our tabling efforts on campus have also been fruitful, and we've been encouraged to see new students at every meeting so far.

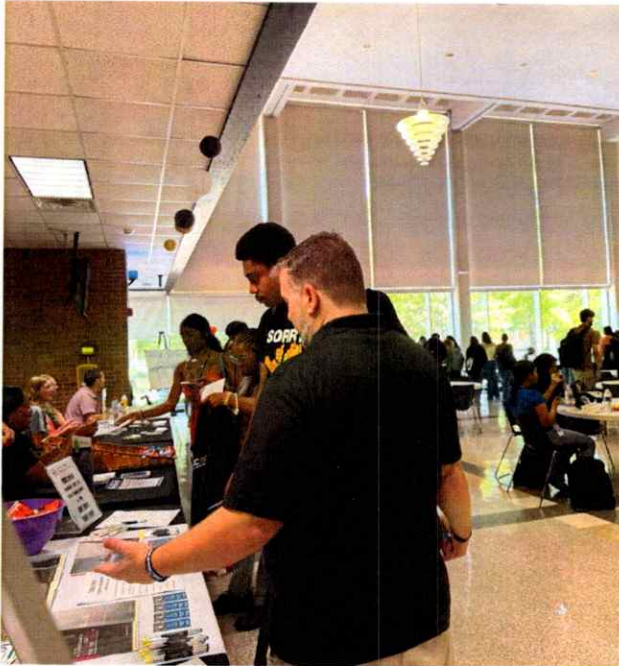

We're also grateful to share that the club has once again retained its official school recognition for another year. God is opening doors, and we look forward to what's ahead!

This semester is shaping up to be an exciting one! We are currently working through *Stand Firm*, an entry-level introduction to apologetics. Two of the book's authors will also be joining us as guest speakers this semester:

- Travis Dickison (Professor at Dallas Baptist University) – "Is the New Testament Reliable?"
- Paul Gould (Professor at Palm Beach Atlantic University) – "The Problem of Evil"

In October, we'll be hosting our "Dinner with an Atheist" event at Pleasantview Baptist Church, featuring guest speaker Richard Suttles, also known online as "The Fallen Ape-Theist".

Looking ahead to November, our focus will turn to exploring and comparing different worldviews. We're excited to see how these events will continue to challenge and encourage both believers and seekers on campus.

RC Spotlight

Carlos Carranza

We are also grateful for the leadership of Carlos, who is serving as our student president at Ratio Christi this year. This will be his final year at TCC, and he has been a faithful witness on campus throughout his time here. After finishing at TCC, Carlos plans to enlist in the Army. Please join us in praying for him as he prepares for this new chapter and seeks to honor Christ in the next season of his life.

Be in prayer for the following:

- That the Lord move in the hearts of the students at TCC.
- Students see their need for Christ.
- The ministry to grow in spirit and in numbers.
- To maintain the qualifications for recognition
- Our current students: Karma, Carlos, James, Billy, KT, Daniel, Favor, Jaydn, Louis, Jarec, Arleen, Naomi, Joiya, and the rest of the student body at TCC.
- For the Johnson Family as we continue to raise support.
