

# AI IN AUTOMOTIVE ROUND TABLE & SHOP TOURS

***How Auto Shops Are Leveraging AI as a Partner***

The application of artificial intelligence in the workplace is a rapidly evolving area, and the automotive repair industry is a prime example of how it's being leveraged to enhance efficiency, accuracy, and customer service.

**October 22, 2025**

**4:00 – 6:00 pm Round Table & Shop Tour**  
***Auto Works Automotive Service Center***  
380 Rivertown Drive Suite 400, Woodbury

## **You Will Learn:**

- How other shops in your area are using AI to compete
- What platforms have the biggest impact for the most value
- What behind the scenes looks like at two top performing shops

**3:30 – 4:00 pm Bonus Shop Tour**  
***EuroTech Auto Service***  
8160 Coller Way Suite G, Woodbury
