Join AASPMN for a Day at the Capitol
Meetings with Lawmakers

AASPMN works year-round to uphold the existing laws that help and protect member businesses, educate members on the laws, and fight for or against legislative changes through our robust lobbying efforts. This legislative cycle there are three primary areas of activity that are being addressed. Your support, both by participating at our Day at the Capital event or financially, is greatly appreciated to help advance these efforts.

On March 3rd, AASPMN will arrange meetings between lawmakers from the House and Senate, and their AASPMN member constituents. During these meetings our member constituents will share their top concerns, and details on AASPMN's legislative agenda, which includes:

1) AASPMN bill to improve 72A.201, specifically regarding supplement process misuse by insurance companies with time delays and denials of required operations, including a new legal pathway to hold insurance companies accountable and enforce Minnesota's strong insurance laws.
2) Remind lawmakers that employers need a clear way to contest paid leave claims to prevent fraud.
3) General introductions and "Thank you" to build relationships for future requests from shops.

If you are interested in participating in AASPMN's Day at the Capitol, contact Linden Wicklund at linden@aaspmn.org or 612-623-1110.

###

AASPMN is an association of independently owned automotive service businesses and industry suppliers dedicated to improving Minnesota's automotive service industry and the success of its nearly 600 members. For more information, visit www.aaspmn.org.
