

This Week @ Trinity

Happy Friday Trinity Catholic Families!

We have a pope! Cardinal Robert Francis Prevost has been chosen as the first American pope-Pope Leo XIV. Our students were blessed to be able to witness this once in a lifetime event alongside their teachers and friends! I can not begin to tell you how amazing it was to watch the awe and wonderment on these children's faces! It was such a beautiful sight! I will never forget where I was and how I felt either. I was in absolute amazement at their excitement!

It's my hope that they will all look back at this time as a core memory for them.

Please join me in praying for our new leader, a pillar of hope for the next generation of the Church!

"We must seek together how to be a missionary Church, a Church that builds bridges, a dialogue, always open to receive, like this square with open arms, everyone who needs our charity, our presence, dialogue and love."—Pope Leo XIV

We are in the home stretch of the school year with only 3 weeks left! That means, there are just a few ways left that you may earn those required 10 service hours. Below is the sign up genius for ALL of the opportunities left. Please scroll down and be as generous as you can! One area of particular and urgent need is for the Legacy Fundraiser. There is VERY LITTLE THAT IS REQUIRED OF US for this event so it really shouldn't be that heavy of a lift. I promise, there will be PLENTY of time to join in all of the fun!

Every volunteer for the Legacy will receive 2 dress down passes for their child to use the last 2 weeks of school! This is also an event that YOU DO NOT HAVE TO HAVE TAKEN THE PROTECTING GOD'S CHILDREN CLASS OR HAVE BEEN FINGERPRINTED, unlike Field Day or the Zoo Chaperones. SO ANYONE CAN HELP AND EARN THOSE HOURS!!

Remember, all families are required to provide at least 10 hours of service throughout the end of the year. For every hour that is not met, you will be charged \$10. These charges will appear in your FACTS account on June 1st. You are responsible for logging the hours of service in your FACTS portal. I have added instructions here for a refresher.
