Welcoming the Next Generation

The Cosentino Family: Mom, Anna, was a patient of Dr. Amador's when she was a child at PAMPA. After Dr. Amador's passing, she ended up seeing Dr. Worly. Anna states that Dr. Worly was able to diagnose and point her in the right direction for several chronic illnesses. She always felt safe as a child in her care, so when it came time to choose a pediatrician for her daughter, there was no one else she trusted more than Dr. Worly!

The Martin Family: Mom, Rebecca, and her siblings grew up going to PAMPA pediatrics. In high school, she began to see Dr. Worly. Now, Dr. Worly sees all 3 of her kids, as well as her niece and nephews.
