Is Your Child Sick?

You are now able to check your child's symptoms at *any time* with the visual symptom checker. You will have access to much of the same information used by our nurses to triage patients without needing to wait for a call back.

[Visual Symptom Checker](#)

Medical Library

Connect to a variety of medical information that was hand picked by our providers; this includes a range of topics, such as common illnesses, mental health concerns, breastfeeding and more!

Vaccines and Wellness Visits

You can now review the Well Child Check schedule on our website to see a comprehensive list of what will happen at each wellness visit, plus the immunization schedule, by age.
