A MESSAGE FROM YOUR EXECUTIVE DIRECTOR: JULY 2026

July always seems to arrive with a sense of celebration—flags waving, fireworks lighting up the night, and families gathering in backyards to mark the heart of summer and the promise of freedom.

In our community, I'm reminded that these moments of togetherness, both big and small, are what give each holiday meaning.

Just the other day, I sat with a resident as she reminisced about her childhood Fourth of July gatherings. She spoke about simpler times: sparklers handed out to grandkids, neighbors stopping by with homemade lemonade, and the stories that would flow as the sun dipped low. Her memories weren't of grand gestures, but of the quiet bonds formed sitting shoulder-to-shoulder, listening to one another and sharing laughter. It struck me how the true spirit of Independence Day isn't measured by the size of the celebration, but by the warmth of the connections we build.

After listening to her stories, I found myself thinking about the way even small moments can shape history. In fact, while Thomas Jefferson was penning the Declaration of Independence in the summer of 1776, he often found inspiration from an unexpected companion—a pet mockingbird who sang by his window. Jefferson believed those gentle songs helped him find clarity in the midst

of great responsibility. It's a detail lost to most history books, but it makes me wonder how often the quietest presences in our lives—a friend's encouragement, a family tradition, a simple act of kindness—become the true guiding lights.

This July, as we enjoy our own traditions, let's cherish both the celebrations and the stillness. Scripture reminds us, "It is for freedom that Christ has set us free" (Galatians 5:1), and I see that freedom expressed in the way our team members and residents lift each other up, day in and day out.

We have a wonderful lineup of events all month long, from patriotic singalongs to cool treats on hot afternoons and fellowship gatherings. Whether you're able to join us for a special occasion or just for a warm hello, your presence is always a blessing.

Thank you for allowing us to serve you and your loved ones. We wish you a joyful, peaceful July—may your days be filled with both celebration and the simple joys that linger long after the fireworks fade.

Sincerely,

Peter S. Rost
Executive Director

FROM THE HUDSON VALLEY TO THE SUNSHINE STATE: THE REMARKABLE PATH OF *Raymond J. Morris Jr.*

Raymond J. Morris Jr. has always called places home where roots run deep and community matters. Born on August 20, 1931, in Poughkeepsie, New York, Ray grew up in the close-knit town of New Paltz. His parents, Raymond Sr. and Margaret, were part of the fabric of the area—Ray Sr. owned and operated a plumbing company that kept the Morris family busy and connected to their neighbors. In 1939, Ray's younger brother Edward joined the family, making the Morris household a lively one.

Ray's early years were shaped by faith, family, and a sense of purpose. He attended St. Peter's Catholic School in nearby Rosendale through eighth grade before following the influence of his uncle, Fr. Bill Morris, to the Augustinian Academy in Staten Island. Ray spent his high school years there, growing in discipline and knowledge from ninth to eleventh grade. Yet, the pull of home was strong. During the summer before his senior year, Ray decided to return to New Paltz High School, graduating with the class of 1950.

After high school, Ray went right to work alongside his father in the plumbing business. But when the Korean War broke out, he felt the call to serve. With a couple of friends, he signed up for the U.S. Navy. On the day he was to leave, his friends didn't show up, so Ray took the train to New York City by himself, then on to Newport, Rhode Island, for eight weeks of basic training. He was soon stationed on the USS Grand Canyon, a destroyer repair ship, for a Mediterranean tour. During his service, Ray had a once-in-a-lifetime opportunity: meeting the Pope in Rome, a highlight that stayed with him for years. He was honorably discharged in 1954.

Home again in New Paltz, Ray worked for his dad before deciding to continue his education. He attended Krissler's Business Institute in Poughkeepsie, graduating in 1955, and weighed job offers from the local electric utility, Central Hudson, and IBM. Ray chose IBM in Kingston, starting as an Accounting Timekeeper and working his way into management. He spent more than three decades with the company before retiring in 1987.

Ray's life took a joyful turn at PnG's, a favorite local bar and restaurant in New Paltz, where he met Bernadette Lawler. They married on July 14, 1956, built their home in New Paltz, and raised two children, Patrick and Beth. Ray's sense of community was always strong—

he joined the New Paltz Fire Department in 1947 and eventually became Fire Chief from 1961 to 1963. He remains a life member to this day.

Ray's time with the fire department revealed a need for better emergency communication across Ulster County. He took it upon himself to create the Ulster County Emergency Communications Center, spearheading the installation of radio towers on mountain tops and opening two dispatch centers. Appointed the county's first Emergency Communications Director, Ray also served as an Ulster County Fire Coordinator. His commitment to service extended to the New Paltz School Board, where he served as President twice, and to the local U.S. Coast Guard Auxiliary, where he became Commander.

After retiring from IBM, Ray wasn't quite ready to slow down. He took on a new role as Deputy Commissioner of Finance at the Ulster County Department of Public Works until his second retirement in 1996. Even then, Ray found ways to stay active, working part-time at the New Paltz Golf Course and Ulster BOCES.

Ray's beloved wife Bernadette passed away suddenly in 1991. In time, Ray found companionship again with Diane Lucchesi, sharing many happy years together until her passing in February 2025. Drawn by a love of golf, Ray and Diane became "snowbirds," wintering in Port St. Lucie, Florida, at the PGA Village, where Ray served as President of the Homeowners Association for several years. They made Port St. Lucie their permanent home in 2018.

After Diane's passing, Ray moved back to New York for a time, staying with his daughter and son-in-law in Stone Ridge. Eventually, he returned to Florida to be closer to his son and daughter-in-law in Vero Beach, settling happily into Renaissance Senior Living of Vero Beach.

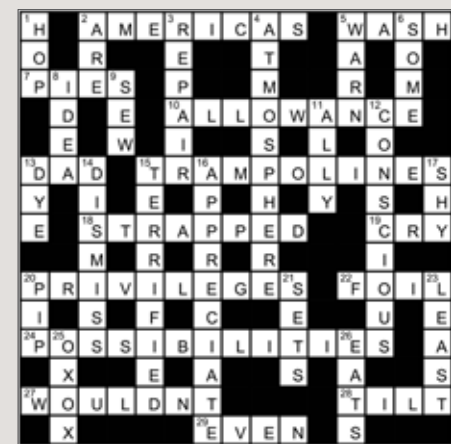

Ray Morris will turn 95 this August. His family is at the center of his life—his son Patrick and wife, his daughter Beth and her husband, a stepson and stepdaughter and their spouses, ten grandchildren, and four great-granddaughters. Ray is truly cherished by each of them. Through decades of service, devotion to his community, and the quiet strength of his character, Ray has built a legacy that continues to inspire those who know him.

It's a life marked by commitment—to family, to neighbors, and to making each place he's called home just a little bit better.
