Message From Your Executive Director: October 2025

As the leaves start to change and the air turns crisper, it seems like life speeds up for everyone. Around here, fall is a season bustling with activity—festivals, family events, and traditions both old and new. For many, this time of year is a juggling act: kids settling into the school routine, calendars filling up with sports and lessons, and workplaces picking up the pace after summer. If you're part of the "sandwich generation," you know better than anyone what it means to be pulled in all directions at once, balancing the needs of growing children and supporting aging parents or grandparents, often while still managing careers and everything else life throws your way.

We know that when a loved one moves into our community, it's usually because families need a helping hand. What might come as a surprise is how often you'll hear from us, too, inviting you to join in for a meal, a festival, a musical performance, or just a moment to connect. I send out a regular updates through MailChimp to help you stay in the loop. If you're not receiving these, please let me know at prost@renaissanceverobeach.com which email address we should use to enroll you. We do this not to add to your already-full plate, but because we

believe that staying connected, even in small ways, means everything to the people who live here—and to those who love them.

Still, we understand that you can't be everywhere at once. Sometimes, you're running from a school bake sale to a weekend tournament, and there just isn't enough of you to go around. Please know: we see you, we appreciate you, and we're grateful for every moment you share with us, even if it's just a phone call or a note sent in.

This month, as we roll out fall celebrations and family-friendly events, we hope you'll find a few minutes to join us when you can. Our doors are always open, and there's nothing better than seeing families come together, whether for a pumpkin craft, a game night, or just to laugh and swap stories. Maybe, just maybe, our little gatherings will make it a bit easier to spend time with your loved ones, all in one place.

Thank you for trusting us with someone so important to you. We're honored to be part of your extended family.

Sincerely,

Michael Ilardi: A Life Full of Stories (and a Wagging Tail)

If you've had the pleasure of meeting **Michael Ilardi**, you already know he has a warm smile and a story or two to share. Michael was born in the Bronx, NY, and grew up in a lively Italian neighborhood filled with good food, strong family ties, and plenty of hard work. As a young boy, he kept busy delivering bottles of bleach to neighbors and lending a hand in a local Italian deli. Those early years taught him responsibility, community, and a love for simple things done well.

As he got older, Michael found his way into the roofing business. He was taught the trade by a man who would one day become his father-in-law—a relationship that added both skill and family to his life. After many successful years, Michael

decided to sell the business and head south with his family for a new chapter in Jupiter, Florida. There, he tried his hand at real estate and even worked as a limo driver, enjoying the chance to meet new people from all walks of life.

These days, Michael makes time for the things that bring him joy. He's an avid golfer and never passes up the chance for a good game. But if you ask him, his biggest source of pride is being "daddy" to his dog Bruno, who keeps him smiling and active.

Michael's life has been filled with hard work, adventure, and love for family—both two-legged and four-legged. He reminds us all that no matter where life takes you, it's the relationships and little joys that make the journey worthwhile. We're so glad to call Michael part of our community!

GET TO KNOW PETE: 20 Questions Edition

Ever wonder what makes Pete tick? In honor of **National Boss's Day**, we put him in the hot seat and asked 20 fun and revealing questions. Whether you've known Pete for a while or you're just joining our community, here's your chance to get to know the person behind the job title!

Pete & Lisa Rost

1. If you were a cartoon character, who would you be? *Bugs Bunny. He's a smart-aleck and always comes out on top.*

2. What's your signature dance move? *The Filet-O-Fish.*

3. Which mythical creature would you adopt as a pet? *Dragon*

4. Do you have any "useless" talents or party tricks? ? *I can touch my nose with my tongue (eliminates the middleman 😊)*

5. If you could have dinner with any fictional character, who would it be? *Hannibal Lecter*

6. What's the worst haircut you've ever had? *Not had but gave. In 5th grade my friend Kenny Schwartz and I were in the garage when he said he needed a haircut. I used bush pruning scissors and halfway through he realized he was late for dinner. As my family sat for dinner, my Mom got a call from Mrs. Schwartz. Apparently, Kenny was wearing a hat at dinner, a no-no, and when she forced him to take it off was aghast at the damage I had done. I ended up paying for Kenny's crew cut as that was the only way to repair my damage.*

7. If you had to give yourself a new name, what would you pick? *Rip Rock Rost*

8. What's the oddest thing you've ever eaten? *A German sausage made with brains, stomach and intestines. I read in a guidebook that it cured hangovers and having spent too much time in the Beer Garden the night before, I decided to try it. Three days later I learned what it was made of, and I suffered from dry heaves thinking about what I ate. (It did help the hang-over, though.)*

9. If you woke up tomorrow as an animal, what animal would you hope to be? *Dolphin. They're social, smart and playful.*

10. What's one thing you can't live without? *Air.*
11. What's your go-to karaoke song? *If I'm about to sing Karaoke, take away my car keys!!! I certainly can't drive if I believe I can sing.*

12. If you could invent a holiday, what would it celebrate and how would you celebrate it? *My half-birthday! As an identical twin born 10 days after Christmas, my brother and I would get a gift to "Peter and David. Merry Christmas and Happy Birthday." So basically, a quarter-gift. It would be called Twin Fairness Birthday Day!*

13. If you could have any superpower, what would it be? *Invisibility.*

14. What's the best trip you've ever taken? *New Year's Eve 1989 on top of the Berlin Wall. At 11:30 pm the Eastern German Guards were pushing us off the wall. By 11:45 they were helping us up and drinking champagne!*

15. What song always makes you dance or sing along? *"Bohemian Rhapsody" and "American Pie" (me and everyone else)*

16. Morning person or night owl? *Morning person.*

17. What's the most adventurous thing you've ever done? *Skydiving, Bungee Jumping, Scuba Diving (when I was young; not today!)*

18. What's a book you think everyone should read? *A Simple Plan.*

19. If you could time travel, would you go to the past or the future and why? *Five Years in Future - find the stocks that appreciated the most, go back and buy them!*

20. What's the best gift you've ever received? *A personalized Santa with a Nice List of my wife, kids and friends from my sister.*

21. If you could instantly master any skill, what would it be? *Dancing or Guitar.*
