Holy Baptism is the Basis of the whole Christian Life,

The gateway to life in the Spirit, and the door which gives access to the other Sacraments.

Through Baptism, we are freed from sin and reborn as sons of God;

We become members of Christ, are incorporated into the Church and made shares in her mission;

"Baptism is the Sacrament of regeneration through water in the word."

*From the Catechism of  
the Catholic Church*

Through Baptism, we are brought into the realm of the children of God, to which all people are called. Knowing that Baptism is necessary for salvation, parents have their babies baptized not long after they are born. Baptism signifies the baby's entrance into the Church. The community of believers and the parents make a commitment to care for and teach the child as he or she is raised in the Catholic faith.
