

Sporting Nebraska FC - GA Coach

Job Title: Girls Academy Coach (U13–U19)

Organization: Sporting Nebraska FC

Location: Omaha, Nebraska

Position Type: Part-Time (Hourly Pay)

Start Date: July 1, 2026 — for the 2026/2027 Season

About Sporting Nebraska FC

Sporting Nebraska FC is one of the premier youth soccer organizations in the region, committed to providing a high-level player development environment and competitive opportunities for athletes. As a proud member of the **Girls Academy (GA)**, our mission is to develop players to their fullest potential—technically, tactically, and personally—in a positive, challenging, and professional setting.

Position Summary

Sporting Nebraska FC is seeking a dedicated and experienced **Coach** to lead and develop elite-level female players within our **Girls Academy Program** beginning with the **2026/2027 season**. The ideal candidate will have a strong understanding of the GA environment, a proven record of player development, and the ability to inspire and mentor athletes both on and off the field.

Key Responsibilities

- Lead training sessions and coach matches for assigned GA age group(s)
 - Develop and implement a comprehensive season plan aligned with club and GA standards
 - Manage player evaluations, development plans, and communication with families
 - Collaborate with the GA Director and technical staff to ensure consistency in player development
 - Support players through the college recruiting process and maintain communication with college coaches
 - Attend all GA events, showcases, meetings, and club functions
 - Promote a positive, professional, and competitive team culture
-

Qualifications

- **Minimum:** USSF C License or equivalent
 - Willing to pursue USSF B License (club will reimburse upon completion)
 - **Preferred:** USSF B License
 - Proven experience coaching elite female youth players (GA, ECNL, etc.)
 - Strong communication, leadership, and organizational skills
 - Ability to travel for league matches and showcase events
 - Commitment to the holistic development of players—on and off the field
-

Preferred Attributes

- College or professional playing experience
 - Experience using performance analysis tools (Veo, Hudl, Trace, etc.)
 - Team-oriented and growth-minded approach to coaching
-

Compensation & Benefits

- Competitive pay based on experience and licensing level
 - Opportunities for continued coaching education and professional development
 - Travel Per Diem for showcases and league events
 - Access to top-level facilities and club resources
-

How to Apply
