COACH'S CORNER

My turn this week!

First, a huge thank you to our Navy Team and B-Team swimmers for showing up extra early last week for the ABC News segment. We had a great turnout, and I appreciated everyone representing Brazadas in team uniform. Special shoutout to Carter Stiles and Hailey Todd for doing a fantastic job during their interview with Mike Hart!

That team pride carried right into the Fresno Invite. I have never been prouder of our club. More and more athletes are wearing their team suits, caps, and gear, and it shows. The coaches see it, the parents see it, and people outside our team see it too. Brazadas is starting to look and feel like a team!

Our first session of Swim School wrapped up last week, and it has been incredible to watch our swimmers step into leadership roles. This summer, Brazadas has hired more than 25 swim teachers and coaches, many of them current Brazadas swimmers! Together, they are teaching and coaching more than 500 children this summer through Swim School, our partnership with Beardsley School District, and our growing Rec Team programs.

The future is very bright at Brazadas. We are not just building swimmers. We are building the next generation of Brazadas. The foundation is being laid every day, and we are just getting started.

Masters swimmers, you are lucky to have Coach Jay! It has been amazing to watch the group grow from just a few swimmers to double digits at practice. Denise and Daisy, we love seeing you out there. Denise, you continue to inspire all of us!

Happy Father's Day to all of our Brazadas dads this weekend. Swimmers will have a special gift for Dad at Saturday's workout.

Congratulations to all of our swimmers on some great swims at Fresno this past weekend. We can't wait to see everyone race in Santa Barbara. Here we go!
