## COACH'S CORNER

June is here, and with it comes a special milestone for Brazadas...we officially celebrate our first birthday this week! One year ago, we held our very first practice, and it's incredible to look back at how much our swimmers, families, coaches, volunteers, and community have built together in just twelve months.

As we enter Year Two, we're also making a few changes. Going forward, we'll keep our weekly newsletters shorter and focused on major announcements, upcoming events, and important reminders.

Coach articles, swimmer education, team updates, community stories, and special features will now live on our new blog, [Between the Lane Lines](#). It's a place to learn more about our coaches, programs, swimmers, and the community we're building together. Be sure to check out this week's featured article.

Finally, championship season is quickly approaching. We have just two more meets before championship meets begin, so make sure you're signed up and ready to race.

Go Brazadas!
