

BRAZADAS BLAST

NEW THIS FALL: BRAZADAS SWIM LEAGUE

Beginning August 24, Swim League gives swimmers a fun, supportive way to stay active, improve their strokes, and build endurance without the full commitment of a year-round competitive team.

The 10-week program includes structured practices and one optional home meet at no additional cost. It is a great fit for summer rec swimmers, lesson graduates, multi-sport athletes, and families looking for a lighter swimming commitment.

Early bird registration is \$250 through July 26.

COACH'S CORNER

What a week for Brazadas at the Age Group Championships!

I am incredibly proud of our swimmers. Everyone recorded lifetime-best swims, many advanced to finals for the first time, and several earned spots in championship final heats.

A special congratulations to Khamie Dela Cruz, who finished second in the high-point standings, and to Hannah Huizer, the youngest swimmer ever to represent Brazadas at a championship meet in our club's first year.

Thank you to all of our parent volunteer timers who continually stepped in when needed. An extra big thank-you to Amanda Stevens, Tick Haislip, and Jason Minch for officiating at the meet, with Jason serving all weekend. We have the best officials! And we have the best parents and swimmers cheering loud all five days!

Congratulations everyone on a very successful meet!!

Go Zadas!

Craig
