

Brazadas Apparel Policy, Updated July 2026

To promote team unity, professionalism, and a consistent presence at competitions, Brazadas Swim Club maintains the following apparel expectations for all swimmers.

Team-Branded Gear at Swim Meets

All swimmers are expected to wear Brazadas team-branded apparel at every swim meet.

The coaching staff will designate a specific team shirt color for each day of competition. Coaches will communicate the assigned apparel before the meet, or it will be listed in the meet information when applicable.

Swimmers should arrive at the competition venue wearing the designated Brazadas team shirt and should keep it visible in the team area and on deck when not competing.

Swimmers should not wear apparel from other swim teams or clubs while representing Brazadas at competitions.

Outerwear Requirements

If swimmers choose to wear a sweatshirt, jacket, parka, or other outerwear at swim meets, it should be Brazadas team-branded gear.

Brazadas is a TYR team. TYR offers our official online team store, and all required and optional team apparel can be found on the **Team Store** page of the Brazadas website.

Team Branding

The Brazadas name, logo, and marks are the property of B-Town Brazadas Swim Club, Inc. Families and athletes should not create apparel, merchandise, or custom items using the Brazadas name or logo outside of approved team store offerings.

Team Colors

Navy
White
Bright Blue

Team Expectations

Wearing team apparel is an important part of representing Brazadas. These expectations help build team pride, unity, and professionalism while ensuring our swimmers present themselves in a way that reflects the standards of our program.

Families are responsible for making sure swimmers have the appropriate team apparel for meets. Replacement items and additional team gear can be purchased through the **Team Store** page on the Brazadas website.
