

Apparel Policy

Updated March 2026

The Brazadas coaching staff maintains the following apparel policy to promote team unity, professionalism, and a consistent presence at competitions.

These expectations help ensure our swimmers represent Brazadas with pride while maintaining a strong team culture on deck.

Team Apparel at Swim Meets

- All swimmers are expected to wear Brazadas team-branded apparel at every swim meet.
- A designated team shirt color will be assigned for each day of competition. Coaches will communicate which apparel should be worn, or the information will be listed in the meet fact sheet.

Swimmers should arrive at the competition venue wearing the designated team shirt and keep it visible in the team area and on deck when not competing.

Swimmers should not wear apparel from other swim teams or clubs while representing Brazadas at competitions.

Outerwear

If swimmers choose to wear sweatshirts, jackets, parkas, or other outerwear at swim meets, it should be Brazadas team-branded gear whenever possible.

Our official team apparel is available through the Brazadas Team Store: [click here](#).

Our team parkas and warm-up jacket and pant sets are ordered through our Boathouse store during designated team order windows.

Team Branding

The Brazadas name and logo are the property of B-Town Brazadas Swim Club, Inc. Families and athletes should not create apparel or merchandise using the Brazadas name or logo outside of the official team store.

Team Colors

Navy
White
Bright Blue (accent color)

Team Expectations

Wearing team apparel is an important part of representing Brazadas at meets. These expectations help build team pride, unity, and professionalism, and ensure swimmers present themselves in a way that reflects the standards of our program.
