This Schedule of Fees does not relate to the preparation of business, partnership or corporate tax returns. We reserve the right to charge for these tax returns on an hourly basis according to the time required to complete them. Our standard rate for this work will be \$220.00 per hour. Our fee for advice is charged at \$330.00 per hour. Partners consultation for taxation and financial health is charged at a base rate of \$385.00 (GST Inclusive). On occasions when appointments are not kept, or where 24-hour minimum notice of cancellation has not been given, a fee of \$50 to partially cover wages and overheads will be charged.

Liability limited by a scheme approved under Professional Standards Legislation
