

50 HOOPS LEGENDS

Welcome to 50 Hoops' LEGENDS 2022 LECTURE SERIES PREMIER

Ed and Pat Sanders, Founders (1998-2022)

50 Hoops™ is proud to celebrate 24 years as one of the oldest African American-founded small nonprofit Patient and Medical Education organizations in the nation.

50 Hoops will hold up to **18 Events this year**. This exciting year will include Workshops, Conferences, Fun and Educational Health Fairs, Disease Video events, great LIVE interaction, health-related "Movie Nights," Disease-related Monologues, and Video Clips with Nationally Renowned LEGENDS GUEST and Medical Speakers on our Topics. Participants can listen or watch and participate on Zoom, Facebook Live or YouTube Live. Most importantly, these events are rebroadcast as patient education videos at other LEGENDS patient events.

50 Hoops™ LEGENDS are PREMIERING ***"The 10 Commandments for Recruiting African Americans Into Clinical Trials."*** This is a **10-part segment "How To" post-event Diversity and Inclusion Segment**. Learning these "Commandments" will help our audiences better understand how many grass-roots communities are finding SOLUTIONS for accomplishing this critical problem in our medical and patient communities. This year will further show the **IMPACT of 50 Hoops' Sustaining our quarter-century outreach**.

50 Hoops Chaplain

LEGEND: Dr. Lester Singleton

Dr. Lester Singleton, Invocation and Graduate

Dr. Lester Singleton is a Doctor of Ministry in Pastoral Leadership at Andersonville Theological Seminary. He received his PhD in Educational Administration from Texas A&M University-Commerce. He is Vice Chairman of the Beautification and Environmental Sustainability Board with the city of Cedar Hill. AUGUST 2022 LEGENDS LECTURE SERIES THEMES

National Network Coordinator and Technical ADVISOR

LEGEND Dr. Robin Kelley, Chair of the Health Education Ministry of the Mount Airy Baptist Church, Washington, D.C.

In this capacity, she has received multi-year grants for community health and wellness activities. She has worked closely with both community and church ministries on youth and women's issues, such as domestic assault and health and nutrition. She is employed full-time at a nonprofit health organization and has received a cooperative agreement from the Centers for Disease Control and Prevention Division. Robin received her BA from Vassar College, her MSSW from Columbia University and her PhD in Public and Community Health from University of Maryland, College Park.

INVOCATION

Rev. L. B. West, D. R. S., Senior

Dr. Larry B. West, one of the emerging voices in ministry in the Washington, D. C. area, has served as pastor of Mount Airy Baptist Church since 2002 where he challenges his congregation to "do greater and more wonderful works". Dr. West holds a Bachelors' degree in Management from the University of Georgia, a Master's degree in Theology from United Baptist College and Seminary, and a Doctorate in Religions Studies from Trinity Theological Seminary in Newburgh, Indiana. Immediate Former Chairman of the Board of Directors for the National Baptist Convention USA; his memberships include Missionary Baptist Minister's Conference, Leadership Council for Healthy Communities, Kappa Alpha Psi Fraternity, and a life member of the NAACP.

Dr. Jason Porter, The West Cancer Center, Memphis will join other stakeholders and physicians in this important discussion about Cancer, COVID and Clinical Trials

50 Hoops™ National MEDICAL ADVISOR

Dr. Jason Porter, The West Cancer Center, Memphis

LEGEND Dr. Jason Porter is a native of Memphis, Tennessee and currently a Medical Hematologist and Oncologist at the West Cancer Center and Research Institute. He completed his undergraduate degree at Christian Brothers University and medical training at the University of Tennessee Health Science Center. His clinical and research interests include early detection and screening for all cancers, local and advanced lung cancers and benign hematology. He has published research on the hypertension, advanced lung cancer therapy and side effects as well as acute Leukemia. A dedicated advocate for cancer patients, he derives a great sense of fulfillment from helping patients and their families navigate the therapies and complications.

Dr. Jose Bordon is the CEO and founding chair of Washington Health Institute.

Dr. Bordon's main interests are focused on the holistic health needs of patients, physician education and research. He has been practicing in the area of Infectious Diseases since 2002 and is the former Chief of the Section of Infectious Diseases at Providence Hospital. He is certified in Internal Medicine and also in Infectious Diseases by the American Board of Internal Medicine. He has written more than 50 original manuscripts and has been nominated as a reviewer for more than 30 scientific journals. He has a holistic view of his patients from the spiritual, mind and body dimensions and is a strong believer in building networks in order to create or optimize health services and promote health education to the community.

50 Hoops™ LEGENDS VIRTUAL Patient Education Workshops, Conferences, Health Fairs, and Basketball Sports Events.

LEGENDS

LEGEND DEACON HAROLD GOODMAN

Deacon Harold Goodman, Chairperson of the Health Education Ministry of the United Men Ministry, **50 Hoops™** and **TANCIT National Network Coordinator for Oakland**.

Deacon Harold Goodman has been a driving force in the preparation for "There's A New Cancer In Town." His dedication to the Allen Temple Health Ministry is profound and singular in the way he approaches his task as the leader of this project. In spite of multiple challenges to overcome, his mindset is not only to accomplish the goal, but also to do it with EXCELLENCE! 50 Hoops, the Multiple Myeloma Research Foundation (MMRF) and our sponsors wish to thank Deacon Harold for all the work and coordination he's done in leading the TANCIT national premier in Oakland and bringing it to Allen Temple. *And his team: Wilma Roundtree and Nubia Esmeralda King.*
