Mobile Cancer Conferences and Workshops FINALE (MCCaW)
Thursday, November 12th @ 12:30 (CT) and Friday, November 13th @ 4:30 (CT)

Join the Mobile Cancer Conference and Workshop FINALE discussions with Tuskegee Institute about clinical trials today! Cancer treatment updates, new information about cancer affecting African American youth, and over $1000 in gifts and prizes.
In November: Open Round table discussions about African American patient education during a pandemic and how both Faith-based Health Ministries and Teaching Hospital Community Outreach programs are changing their strategies to educate underserved and hard to reach African Americans most at risk.
