Congratulations to Our 14U Spring Alliance Soccer Teams!

We are proud to celebrate the success of our 14U Spring Alliance soccer teams and their outstanding performances this season. Several of our teams participated in tournaments throughout the spring, representing our community with dedication, sportsmanship, and heart.

On the weekend of May 30-31 our 14U Girls team, coached by Carly Gordon, competed in the Milpitas Cup and had an exceptional tournament. The girls demonstrated tremendous teamwork, determination, and resilience, finishing tied for first place. We are incredibly proud of their hard work and the way they represented our community on and off the field.

Our 14U Boys team, led by Head Coach Cesar Bermudez and Assistant Coach Adan Gamino, traveled to the San Jose Rush Summer Cup and delivered an outstanding performance. The team brought home the championship trophy, finishing in first place after an impressive tournament run. Their commitment, skill, and teamwork were on full display throughout the weekend.

These accomplishments reflect the dedication of our players, coaches, and families who have supported the teams throughout the season. It is exciting to see our athletes competing at a high level while representing our close-knit community with pride and integrity.

Congratulations to both teams, their coaches, and their families on a fantastic weekend of soccer and a memorable spring season. We look forward to seeing what these talented players accomplish next.

"Youth Leadership Summer Group Kicks Off With Student Stories"

"Our Youth Leadership Groups have officially begun their summer sessions! One of our program goals is to help students develop leadership and communication skills by sharing their voices through the Valley Voice community newspaper. For their first article of the summer, students chose to write about their recent field trip experience and reflect on what they learned, enjoyed, and took away from the day. Read below to hear directly from our student leaders about their experience!"

We went on a field trip to Scandia to celebrate our progress with our community forum and all our trainings we did with students from Winters to prep for it. First, we went to in-n-out to eat which was fun with my friends. After, we arrived at Scandia and went to the water boats to play. I feel like some of the winters kids and our esparto kids really got along and had fun with each other. The water activity was really suitable for the weather. After getting wet, we dried off by going to the race cars. We did laser tags, arcades, and golfing. After golfing we left Scandia and went to Starbucks to finish the day.

- Chloe Alberto

The leadership group recently went on a field trip to Scandia as a reward for our hard work. We earned this trip by hosting a community forum and attending three trainings that helped us prepare for the event. At Scandia, we enjoyed fun activities such as the water boats, race carts, and mini golf. Afterward, we were rewarded with In-N-Out and Starbucks. The trip was a great way to celebrate our teamwork and leadership. Everyone had a fun and memorable day.

-D.V.

Esparto and Winters RISE leadership group went on an amazing field trip to celebrate some accomplishments including our first community forum and completed three training on leadership. The coordinators celebrated us by, taking us to Scandia. They also provided lunch for us we went to In n Out and took us to Starbucks. Lastly, we made new friendships with the Winters EYC group. Thank you so much EYC for that opportunity!

RISE Senior Program Enjoys a Special Field Trip Together

The seniors of the RISE Program enjoyed a fun-filled day as they celebrated another successful season together. The special field trip began with a trip to the movie theater, where participants relaxed, laughed, and enjoyed a great film with friends.

Following the movie, the group gathered for lunch at a local restaurant, where they shared a delicious meal and spent time reflecting on the memories they had created together. The lunch provided an opportunity for everyone to socialize, enjoy good food, and celebrate the friendships and accomplishments that made their time in the program special.

The RISE Program has provided seniors with opportunities for growth, learning, recreation, and community involvement. This field trip served as a wonderful way to recognize participants' dedication and celebrate their achievements.

The day was filled with smiles, conversation, and gratitude, creating lasting memories for everyone involved. Participants left with excitement for future activities and appreciation for the experiences they shared through the RISE Program.

Esparto Chamber Rebrands as Capay Valley Regional Chamber, Hosts Business Showcase

(Yolo County, CA) - The Esparto Regional Chamber of Commerce is working to change its name to the Capay Valley Regional Chamber of Commerce, a move the board says better reflects the organization's existing reach across the valley.

The chamber's board of directors approved beginning the formal renaming process at its most recent meeting. Officials said the change is not a shift in mission or direction, but rather an acknowledgment that the chamber already serves Esparto, Capay, Brooks, Guinda and Rumsey.

"A regional name creates a stronger sense of inclusion and shared identity across the valley," said Laura Gordon, Capay Valley Regional Chamber of Commerce President.

The new name also aligns with the chamber's signature programming. Its annual Capay Valley Almond Festival, along with scholarships, business mixers, ribbon cuttings and community partnerships, already operates under a regional identity that extends well beyond Esparto. The chamber's website and registration portal remain at www.espartoregionalchamber.com during the transition. The new links will be announced once they have been updated.

Business Showcase & Mixer

As part of its outreach across the valley, the Capay Valley Regional Chamber will host a Business Showcase & Mixer on Wednesday, July 9, from 4:30 to 7:30 p.m. at the Esparto Community Center.

The event is open to local businesses, nonprofit organizations and school or service clubs. Participants will have the opportunity to promote their organizations, connect with residents and professionals, and share programs and services with the broader community.

The evening will also feature free mini-master classes offering professional development resources and business insights. Space is limited. For more information, visit www.espartoregionalchamber.com.
