### Protect Yourself, Family (including pets) and Neighbors in the Heat

Yolo County officials are reminding all county residents to take measures to protect themselves when the temperature is very hot, especially vulnerable populations which include: individuals over 65 years of age, children under 4 years of age, those who work outdoors, people who are overweight and those who are ill or may be on certain medications that can affect their ability to handle fluids.

Fortunately, cooler night time temperatures will bring some relief during this heat spell, but residents who do not have adequate air conditioning may experience heat-related problems during the day. Those residing in homes without adequate air conditioning should find a friend or relative to stay with during the hottest parts of the day, or another location in the community where air conditioning is available, such as a public building, shopping center, restaurant or movie theater. For a map listing public locations in Yolo County with air conditioning, please visit: <http://goo.gl/pdCPyH>.

Cont. next column

**Happy 4th of July**

Residents are urged to protect themselves during hot weather by taking the following precautions:

- Drink extra non-alcoholic fluids, especially water
- Stay cool indoors in air-conditioned facilities, especially during the hottest part of the day
- Pace yourself and avoid heavy exertion in the heat
- Wear lightweight, loose fitting clothing, a broad-brimmed hat and sun-screen
- Avoid hot foods and heavy meals
- If you become lightheaded, feel confused or experience any other symptoms of heat exhaustion, get to a cool area until you feel better
- Never leave a person or animal in a parked car; temperatures inside a vehicle can rise to dangerous levels in minutes
- Don't forget pets that also need extra water and shade
- Check on vulnerable neighbors who may need assistance.

**Reglas y Reglamentos del Cementerio de Capay**

(En vigor desde el 1 de enero de 2005, revisado el 17 de enero de 2011 y revisado el 12 de julio de 2011)

Por favor ayudenos a mantener la belleza del Cementerio de Capay observando y siguiendo esta reglas y regulaciones:

1. Las flores cortadas or artificiales frescas or las plantas envasadas en envases, las cestas o los floreros hechos del plastic o de metal se pueden colocar un pie delante de la lapida o del monument. Las flores artificiales que se desvanezcan, se desgasten, se marchiten o presenten una apariencia desagradable seran removidas y desechadas por el personal del cementerio en el momento de la siege. Los arregios del soporte vertical deben estar a un pie de la parte delantera de la lapida y deben estar pesados o asegurados en el suelo.

Flores y banderas especiales para los siguientes dias festivos; Dio de la Bandera, Dia de los Caidos, Dia de los Veteranos, Dia del Trabajo, Paxcua, 4 de Julio, Dia de Accion de Gracias, Navidad, Dia de Todos los Santos, Cinco de Mayo, Dia de los Muertos, puede ser colocado **una semana antes de la fiesta y debe ser reovido una semana despues las vacaciones.** Si la familia no lo retira dentro del plazo de una semana, el personal del cementerio lo retirara y desechara.

Ni el Distrito del Cementerio ni su personal son responsables de ninguna perdida, robo o dano incurrido en cualquier cosa de naturaleza movil colocada en la tumba por las familias.

2. Las banderas en las tumbas estan permitidas **una semana** antes del Memorial Day, el Dia de la Independencia y el Dia de los Veteranos. Las banderas deben estar en buenas condiciones y deben ser removidas dentro de **una semana** del dia festivo. Los banderines dejados en su lugar seran removidos por el personal del cementerio.

3. Las velas votivas encerradas en ricipientes de vidrio se permiten durante la semana del Dia de Todos los Santos o el Dia de los Muertos **SOLAMENTE y DEBEN** quitarse una semana despues de las vacaciones. Tambien deben asegurarse para evitar ques las ardillas de tierra las vuelquen.

4. **Estan estrictamente prohibidos los siguientes tipos de adornos:** Pin-wheels, Globos Whirly-gigs, Velas, Molinos de Viento, Banners, Juguetes, etc. Todas las formas de contenedores alcoholicos estan prohibidas y seran removidas inmediatamente por el personal de cementerio.

5. No se permiten estructuras como arcos, bordes de metal, plastico o ladrillo, cercas, piedras o rocas. Ellos interfieren con el mantenimiento de cementerio.

6. Se pide a los clientes que deseen plantar arbustos, arbustos or colocar bancos que asistan a una reunion regular del Distrito y presenten su solicitud a la Junta para su aprobacion. Las reuniones se celebrant el segundo miercoles de cada mes en la Casa de Bomberos. En este momento no estamos permitiendo plantar nuevos arboles hasta que podamos manejar la destruccion causada por los viejos arboles de crecimiento y tambien las condiciones de sequia.

7. Se permiten las lapidas que sean compatibles con las lapidas existentes en el cementerio. Cualquier lapida excepcionalmente grande debe tener la aprobacion de la Junta de Cementerio antes de la compra y las instalacion. Las familias seran responsables por los constos de mover piedras dobles para un Segundo entierro si es necesario.

8. Su mascota o mascotas son bienvenidas en el cementerio, siempre y cuando limpiar despues de ellos.

9. La Junta se reserva el derecho de enmendar, cambiar o revocar estas reglas y regulaciones, en cualquier momento o cuando la ocasion se presente.

10. **El Cementerio de Capay está planeando un día de limpieza comunitaria para el 22 de julio del 2017 a partir de las 9:00 de la mañana y todo el día".**

## Yocha Dehe Wintun Nation "Breaks Pavement" on Hotel Expansion at Cache Creek Casino Resort

With community members, neighbors and local leaders looking on, leaders of the Yocha Dehe Wintun Nation "broke pavement" for the long-needed expansion of the hotel at their Cache Creek Casino Resort. Up to 459 new rooms will be added, as well as a pool, restaurant, additional meeting space and a multipurpose ballroom. "This expansion is an incredible opportunity for our entire community," said Leland Kinter, Yocha Dehe Tribal Chairman. "We will finally be able to invite more of our guests to stay, saving trips on the road, and offer more rooms and amenities for our neighbors and other local visitors."

The ceremonial "pavement breaking" took place on a small portion of the south parking lot, where the new building will rise. The expanded hotel will be built totally within the existing developed footprint of the Resort, on the site of the original casino and bingo hall. "This is an investment, not just in our resort, but in our region," added Chairman Kinter. "It will generate up to 500 construction jobs over the two year building period, and more than 200 ongoing hospitality jobs when fully operational. Plus, it will be a significant long term community asset as Capay Valley grows as an agri-tourism destination."

"We welcome this important investment in our community by Yocha Dehe and the Cache Creek Casino Resort," said Duane Chamberlain, Chair of the Yolo County Board of Supervisors who represents District 5, which includes the Capay Valley. "Already the largest private employer in our County, the Tribe has been and continues to be an incredibly active community partner, supporting many important programs and initiatives."

Since the Cache Creek Casino Resort opened in 2004, it has consistently enjoyed strong customer support. But, a shortage of hotel rooms to offer guests has been a consistent challenge. "The expansion is a first class project that will help meet longstanding demand of many guests who want to stay overnight rather than drive home," said Tim Bryant, General Manager and COO of Cache Creek Casino Resort. "The addition of new rooms, an event venue, and food and beverage spaces will enhance the Cache Creek experience, better serve our customers and be an attraction for many Capay Valley visitors."

The architecture of the expansion will match the aesthetics of the existing hotel, fit the natural backdrop of the Capay Valley, and incorporate the high quality finish standards demonstrated in the Yocha Dehe Golf Club and Séka Hills Olive Mill and Tasting Room.

## Esparto School District News Diego Ochoa, Superintendent

### EUSD sets 2017-18 and 2018-19 School Calendars

The Esparto Unified School District Board of Trustees has set dates for the 2017-2018 and 2018-2019 School Calendars. The adopted calendars will allow students to participate in the Yolo County Fair, without missing school and to take courses in the Woodland Community College Summer Sessions.

#### 2017-2018 Important Dates:

- First Day of School: August 23, 2017
- Thanksgiving Break: November 20-24, 2017
- Winter Break: December 22, 2017 – January 5, 2018
- Spring Break: March 30, 2018 – April 6, 2018
- Last Day of School: June 8, 2018

#### State Department of Education Releases Mobile App for Parents

The California Department of Education has released the first-ever mobile application that provides parents with detailed information about public schools. The site can be found at <http://www.cde.ca.gov/schooldirectory/>. This app provides access to information for more than 10,000 schools who participate in the CALPADS system. The site provides demographic information, school contacts and directories. It also provides a link to each school's California Dashboard page.

Cont. from column 1

The tribal-state gaming compact between the State of California and Yocha Dehe requires the Tribe to negotiate and mitigate off-reservation impacts that result from this expansion project. In addition to mitigating these impacts, the Tribe and County have renewed and extended their historic, voluntary Memorandum of Understanding/Intergovernmental Agreement (MOU/IGA). The original MOU/IGA was signed by both parties in 2002, and served as a model for the rest of Indian Country in working cooperatively with local governments.

The renegotiated agreement will provide Yolo County with \$6.2 million dollars in unrestricted funds annually for the 22-year life of the agreement, and will be adjusted for inflation. These funds can be used for critical county government programs, including rural law enforcement services in the Capay Valley. It also provides a framework for cooperation among the Tribe, County and local community on projects and programs that benefit all.

In addition, the Tribe will pay for two additional County Sheriff's deputies and their vehicles, provide annual funding for enhanced fire service for the area, and commit \$5 million towards road improvements. Also, under the new IGA, the Tribe will provide the local Capay Valley community a direct and annual \$300,000 commitment for enhancements to the area.

The approximately \$200 million dollar hotel project is expected to be complete by December 2018. Further information and ongoing project updates can be found at [www.yochadehe.org](http://www.yochadehe.org) and [www.cachecreek.com](http://www.cachecreek.com).

**Ideas for avoiding the ‘summer slide’**

Even though school is out for the summer, there are many things kids and their families can be doing to keep up their skills in reading, writing and math. Reading books, visiting the Esparto Regional Library, writing cards, letters, or emails to family and friends, and practicing basic math facts will all help avoid the ‘summer slide’. The Esparto Regional Library has a Summer Reading Program that goes through the whole summer. There are challenges and fun activities to keep your kids reading. Other ideas include taking a walk around the neighborhood and writing down observations about plants and animals in a journal, or conducting a simple science experiment in the kitchen.

**Mark your calendar:**

The 2017-2018 school year begins in late August. Please mark your calendars for these important dates:

- Tuesday 8/22/2017: Class lists posted 4:00 p.m.
- Tuesday 8/22/2017: Transitional Kindergarten/Kindergarten Meet & Greet from 4:30-5:30 p.m.
- Wednesday 8/23/2017: First Day of School/Minimum Day 12:20 p.m. dismissal
- Thursday 8/31/2017: Back to School Night 5:30-7:00 p.m.

**Above: Alternative art being done by Middle School students in the RISE Summer program.**

**Esparto Middle School News**  
Sherrie Vann, Principal

School may be out for the summer, but there is still plenty happening at Esparto Middle School. During the month of June students were busy continuing to learn during the summer session. In addition to reading and math support, students were learning more about robotics with Mr. Krautkraemer and art with Trish Gustafson-Ayala.

During robotics students learned about coding and how to control robots. Through coding the students learned how to make the robots move and perform tasks. This class is an extension of the robotics courses offered to middle school students during the regular school year.

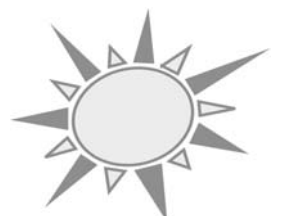

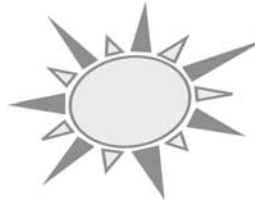

In the art class students were working on inspiring murals that represent the educational values for the elementary school and the middle school. Several Esparto High School and Middle School students were on hand to help work with and teach the younger students that created the murals. We’d like to share a special thank you to Cooper Michael and Milka Chavez of EHS as well as Nevaeh and Natalie Jimenez of EMS. The murals will be hung at several locations across the elementary and middle school campuses for all to enjoy.

Middle School students also enjoyed a guest appearance from EMS science teacher, Erin Simons. Ms. Simons guided student through a frog dissection and other lab activities.

Summer school largely serves our migrant students who often miss out on such engaging learning experiences. A big thank you to all of the Esparto teachers who spent a big chunk of their summer teaching!

**Network Gaming is enjoyed (definitely!) by Middle School students in the RISE Summer Program.**

**Above: Middle School students enjoying hiking and swimming at the Hidden Falls Regional Park.**

### AVANCE Program Graduates Preschool Children

On May 26, 2017 the AVANCE pre-school program graduated 18 preschoolers. We were honored to have Diego Ochoa, Esparto School Superintendent, speak to the parents on how to look upon the celebration as a stepping stone to their children's education. Parents also shared their experiences and gratitude with the program expressing how they will miss it along with the staff. A staff representative from FIRST FIVE YOLO, our funding source, attended and was astonished by the huge attendance and also talked to some of the attendees. It was an enjoyable and memorable time for all. **A big THANK YOU to all the PARENTS AND STAFF who made this program a huge success! Don't forget to thank our guest speakers and the school district for the usage of the Middle School Cafeteria.**

El 26 de mayo de 2017, el programa preescolar AVANCE graduó a 18 niños en edad preescolar. Tuvimos el honor de que el Superintendente de la Escuela de Esparto, Diego Ochoa hablara con los padres acerca de que miren esta celebración como un primer paso para la educación de sus niños. Los padres también compartieron sus experiencias y gratitud con el programa expresando cómo extrañarían el programa como también al personal. Un representante del personal de los primeros cinco del condado de YOLO, que es nuestra fuente de financiación, asistió y se sorprendió por la enorme asistencia que tuvimos. Por lo tanto, fue un momento agradable y memorable para todos. **Muchísimas gracias a todos los padres y al personal que hizo de este programa un gran éxito! Como también al distrito escolar y a Diego Ochoa por habernos dejado usar la cafetería de la escuela intermedia.** Submitted by the RISE Staff

## BIO S.I Program for Almond, Walnut, Pecan, Pistachio, and Other Nut Production

Would you like to see your soil conditions improve? Bio S.I. products do just that. The microbes in Bio S.I. products work to improve the soil tilth and build the humus (carbon) fraction of the soil. Unlike other chemical products you spend money on that are consumed or become inactivated over time, the microbes in Bio S.I. products build and grow with each application. Bio S.I. soil inoculants also help in reducing disease pressure, insect damage and root diseases. The Bio S.I. program for groves is easy and beneficial for the trees, soil, and production. This is a three step program that has been used in many different areas and on many different types of nut crops.

## July Programs at the Esparto Regional Library

All are welcome to attend the following special programs held during the month of July at Yolo County's Esparto Regional Library, located at 17065 Yolo Avenue in Esparto:

- **Summer Reading Program 2017: Reading By Design: May 26 – August 19.** Come for prizes, activities, and fun. Visit the library to sign up and receive a free gift! Find out more at: [www.yolocounty.org](http://www.yolocounty.org).
- **Read off Your Fines!:** May 26 – August 19 This year, the Read Off Your Fines campaign will be held in conjunction with the Summer Reading Program. Young adults and children (ages 17 and under) will be able to deduct \$1.00 from their fines for every 15 minutes spent reading a book of their choice in the library and also use those minutes toward earning incentives in the Summer Reading Program.
- **July 6 & 24: Mini Maker Camp:** 1:30 p.m. Join us for hands on family fun with science, technology, engineering, art, and math.
- **July 11: Afternoon Movie:** 1:00 p.m. Children and families are invited to View a family friendly (rated G or PG) movie. For movie title call: (530) 787-3426.
- **July 13: Before the Eclipse:** A View of the Pre-Eclipsed Sun, 2:00 p.m. Join us to observe sunspots and solar flares on solar equipped telescopes. Presented by the Eastbay Astronomical Society and the Esparto Regional Library.
- **July 17: Van GO!:** Building and Engineering Program, 2:00 p.m. Children will design, build, test, and tinker!
- **July 20: Simple Machines:** 1:30 p.m. Explorit Science Center presents this program where you can discover and experiment with the six main types of simple machines while exploring the physics of motion.
- **July 27: Children's Art Class with Julie:** 3:30 p.m. Enjoy a hands-on class featuring stained glass window sticks. No reservations required and all ages are welcome.

### The following ongoing programs continue in July:

- **English Conversation Group:** Tuesdays at 1:15 p.m. Converse and improve your English in a fun and relaxed setting with the aid of a group facilitator. Drop-in visitors are always welcome.
- **Hora de Cuentos / Bilingual Spanish Story Time:** (Ages 0-5), Thursdays at 10:30 a.m. Children (ages 0-5) and their parents or caregivers are invited to join us for stories, songs, movement, rhymes and finger-plays. All bilingual story times are provided through a grant from First 5 Yolo. Note the new time.

**NOTICES:** Yolo County Library branches will be closed on July 4 in observance of Independence Day. On July 17, all Yolo County Library branches will only be open from 2:00 p.m. to 6:00 p.m. due to an All Staff Meeting.

All Programs are sponsored by the Friends of the Esparto Regional Library, are free to attend and no registration is required. For more information about events at the Esparto Regional Library contact library staff at (530) 787-3426 or visit the Yolo County Library at [www.yolocountylibrary.org](http://www.yolocountylibrary.org) (see calendar for Esparto Regional Library-specific events). Connect with Yolo County Library Facebook at [www.facebook.com/yolocountylibrary.org](http://www.facebook.com/yolocountylibrary.org).

 Yocha Dehe Fire Department

**Grilling Safety Tips**

There’s nothing like outdoor grilling. It’s one of the most popular ways to cook. But a grill placed too close to anything that can catch fire is dangerous. Grills can be very hot and cause serious burn injuries.

**Follow these simple tips and you will be on the way to safe grilling:**

- Propane and charcoal BBQ grills should only be used outdoors.
- The grill should be placed well away from the home, deck railings, and out from under eaves and overhanging branches.
- Keep children and pets at least three feet away from the grill area.
- Keep your grill clean by removing grease or fat buildup from the grills and in trays below the grill.
- Never leave your grill unattended.
- Always make sure your gas grill lid is open before lighting it.

**Charcoal Grills:**

- There are several ways to get the charcoal ready to use. Charcoal chimney starters allow you to start the charcoal using newspaper as a fuel.
- If you use a starter fluid, use only charcoal starter fluid. Never add charcoal fluid or any other flammable liquids to a fire that is already lit.
- Keep charcoal lighter fluid out of the reach of children and away from heat sources.
- There are also electric charcoal starters, which do not use open flame. Be sure to use an extension cord for outdoor use.
- When you are finished grilling, let the coals completely cool before disposing in a metal container.

**Facts:**

- *July is the peak month for grill fires.*
- *Roughly half of the injuries involving grills are thermal burns.*

**Remember, if you have any questions or concerns, please stop by your local fire department or give us a call at (530) 796-2500.**

**Soccer News**

The Last Sign-ups for soccer are at the Esparto Firehouse on July 20. Sign-ups may also be completed on-line at: <http://ayso.bluesombrero.com/region1312>. You can pay with a credit card or complete your application all the way to the payment page and complete with cash or check by coming to signups. Uniforms can also be obtained at sign-ups.

Fees starting July 1 are \$60 for registration, \$50 for an additional sibling, \$20 for a uniform. Each player needs to have shin guards which must be purchased by the player. Practices will start in mid to late August. Games all Saturdays September 9—November 4.

Parents are expected to volunteer in some way which include: coach (training available), referee (training available), team parent, paint lines on fields, set-up fields, weld goals, board member, or fundraising. Volunteering is a great way to give back to your community and be an active part of your child's life. Come help make this a great season.

**Connect The Math Dots**  
 created by Tyler, Delaney, Tomo, Oren, Oliver, Olivia, and Esther  
**Directions:** Solve the math problems (hint: each answer will be a number between 1-10). Then connect the dots in order to complete the picture!

### Rumsey Hall Play Structure?

Hi, we want to build a play structure at Rumsey Hall because that way kids will have a place to play. Right now, the only spaces we have to play are the deck, the parking lot, the wheelchair access ramp, and a little bit of grass.

Having a play structure could encourage more people to come to the Hall and maybe leave donations. Also it would keep things quieter in the adult areas.

We know there are some potential questions that still need to be answered, like insurance if a kid gets hurt. Maybe you can help us. Please write back and tell us how you feel! We want to know what you think about having a play structure at the Rumsey Hall. Thank you!

Letters can be sent to our teacher:

Alex Kane

PO Box 133

Rumsey, CA 95679 Thank you!

Esther, Delaney, Tyler, Sha'an, Olivia, Oliver, Tomo, and Oren.
