

CONSIGNMENT AGREEMENT

All items must have been purchased new within the past five years from a bridal salon or department store. Dresses must have an original retail value of at least \$200 and must be formal, clean, stylish, floor-length, and in excellent condition.

CBP reserves the right to determine which items meet our inventory needs and quality standards. Pricing is verified at the time of drop-off.

We accept up to five items per drop-off. If you are a retailer or a consignor with more than five items, please contact the store for additional terms and conditions.

All merchandise must be brought in during our designated consignment hours as listed on our website. This includes any items you wish to add to an existing contract. We do not accept consignment on Saturdays.

- I, the undersigned, hereby consign the item(s) listed to CBP for a period of 5mo. Prices will be set by management at the time of consignment.
- If the items are sold within the set-day period, I will receive 40% of the price sold minus a \$2 processing fee. This price will reflect a % mark down at time of drop off. A commission check will be mailed to the address on this agreement on the 5th of the month following the sale. CBP bank checks are void after 90 days.
- I understand out-of-season and overstock items are subject to clearance sales and/or price adjustments according to market demand.
- I further understand that if the unsold items are not picked up by appointment prior to the expiration date of this contract, the item(s) will become property of CBP.
- I agree that all hangers, bags, and packaging left with CBP will be disposed of and will not be returned to me at any point.
- I agree I will not cross-sell my consigned items during the contract period.

I hereby warrant that I have complete title to the merchandise listed and I will not hold CBP responsible for any claim of title to it. I also understand that CBP assumes no responsibility for loss or damage to listed merchandise by fire, theft, accident, or any other cause. (REV4.2.2026)
