Room Walkthroughs and Website

- Starting next week, Castaway will start reaching out to unit Owners to perform Preconstruction walkthroughs.
 - Walkthroughs will take place on Mondays and Tuesdays of each week.
 - Each walkthrough should take less than 30 minutes per room.
 - Discuss any requests for relocation of personal property during construction.
 - Review how the space will be prepped, overall scope of work, and duration.
 - Owner's will be asked to sign a document indicating that we have reviewed the procedure and agree to leave the work and path of travel spaces cleared.
 - Starting in January, we will have a project website with all schedule updates, news, and weekly progress photos. Each tenant will have their own password protected link for unit-specific documents and progress photos.

Thank You!!!
