Event Sponsorship

As the largest youth serving organization in the area, the Boys & Girls Clubs of the Olympic Peninsula has been providing services to children 4-18 for nearly 40 years. Our Clubhouses provide essential youth development programs every day after school and when school is not in session. We offer opportunities for youth to receive homework help and participate in academically enriching programs like DIY Stem, Robotics Club, and Stride Academy. We offer health & wellness programs committing to emotional well-being, fitness activities, and taking a stand against bullying. Our teen programs include living-skills curriculum, structured mentoring sessions, and encourage college and career exploration as well as a robust intern program developing tomorrow's workforce.

With increasing costs and new expenses our annual fundraiser is essential to fulfilling our mission. Your continued sponsorship empowers us to serve the urgent needs of youth and families in Sequim and Port Angeles. For questions or to secure a sponsorship please email jgray@bgc-op.org.
