

OUR PHILOSOPHY

At Gluco Lodge Personal Care Home, our philosophy centers on supporting residents with their daily needs while promoting independence. Although we specialize in top-quality diabetic care, most of our residents are not diabetic. Our team approach promotes healthy living through balanced meals and engaging activities, ensuring everyone enjoys an active, fulfilling lifestyle without compromise.

WHY CHOOSE US?

“This is family.. the owners are very much involved in the resident care, staff are very friendly and caring and attend to resident needs.”

-Caroline Schwenck Reitz

“We highly recommend Gluco Lodge to any family looking for a community for their loved ones. We couldn't be any happier with the way Gluco Lodge's staff treat our mother. And she loves the staff right back.”

-J. Kresge

“Gluco Lodge is a family oriented personal care home with a wonderful, caring staff. My parents were well cared for there and enjoyed the activities and the outdoor deck. I highly recommend Gluco Lodge!”

-Kathleen Andrew

ABOUT US

Gluco Lodge Personal Care Home, nestled in the scenic Cherry Valley of the Pocono Mountains, provides a peaceful yet vibrant community for seniors, just minutes from local hospitals and attractions. With over 40 years of experience in long-term healthcare, our family-owned and operated facility offers focused individual care in our newly constructed 51-bed home. We pride ourselves on personalized care plans that promote independence and dignity, while our fully furnished rooms ensure a smooth move-in process, allowing residents to make the space their own.

YOUR ROOM

Our community offers private suites, including two for couples, as well as private and semi-private rooms. Suites include kitchenettes with a sink, mini fridge, microwave, and storage space. All rooms feature modern furnishings, flat-screen TVs, Wi-Fi, scenic views, and the option to bring personal furniture. Each room also has central heat and air, a phone, emergency call systems, and elevator access to both floors.

AMENITIES

Experience breathtaking scenery and spacious common areas with amenities such as a community dining room, cozy living room with a fireplace, beauty salon, fitness equipment, outdoor deck, and traditional library. We offer 24-hour emergency call systems, satellite TV, Wi-Fi, and a secure environment with alarmed doors and visual security.

ACTIVITIES

Our activities offer something for everyone, including themed parties, movies, bingo, arts and crafts, day outings, and more. Residents can enjoy YMCA exercise classes, chair Zumba, cooking classes, musical performances, pet therapy, and regular visits from the public library's bookmobile.

SERVICES

Our trained and certified staff, including RNs, LPNs, CNAs, and PCAs, provide 24/7 assistance and engage in ongoing education. We offer comprehensive services, including CPR/First Aid/AED, blood glucose monitoring, and insulin administration. To support residents' mental and physical health, we provide ongoing activities throughout the day. Our house services feature housekeeping, personal laundry, linen services, in-house physicians, occupational and physical therapy, a beautician, transportation, religious services, and three nutritious meals with snacks daily. Additional services include medication administration, assistance with daily living activities, respite care, podiatry care, and hospice care.
