Where creativity and recovery come together...

Creative Start Arts in Health CIC is a multi-award-winning recovery and arts organisation led by lived experience and driven by creativity, compassion, and community.

The 'Paint The Town Proud'™ is an art in the community project celebrating Grimsby and Cleethorpes heritage through creative community murals and by promoting local artists.

WWW.CREATIVESTARTCIC.ORG

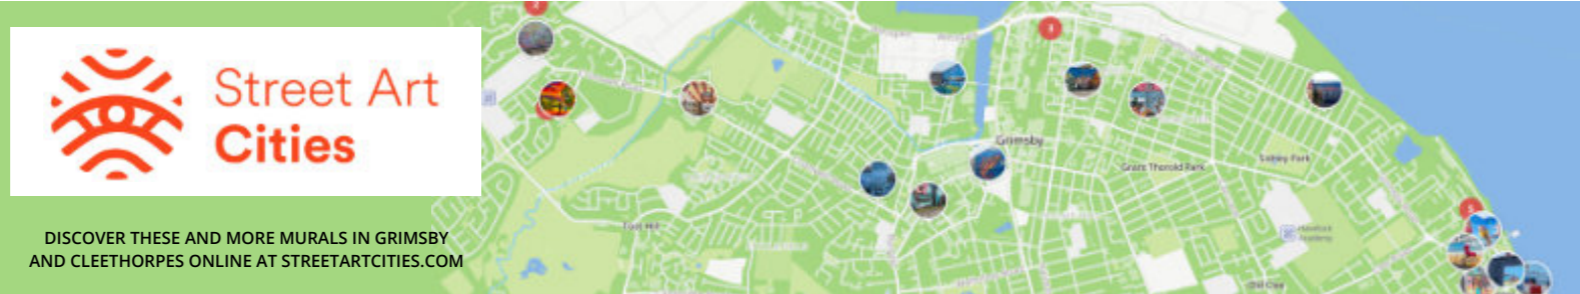

In this map are 19 murals from the 'Paint The Town Proud' community mural project.

Each mural tells a story. Some of the stories are about the towns history of fishing, others the amazing wildlife that can be found in our area and some that look at our town in an unusual or surprising way.

Each one of the murals has been designed by different artists from far and wide, and can be found on the streets of Grimsby and Cleethorpes.

You can also find their exact locations using:

www.what3words.com
