

LEGENDARY ACHIEVEMENT AWARD

The **Ukrainian Musicians Association (UMA)** recognizes Ukrainian musicians (entertainers) who have devoted 30 years to the Ukrainian Canadian music industry.

UMA believes that it is time to recognize and honour individuals who have worked diligently for 30 years in creating music that has brought enjoyment to thousands of people.

UMA believes that these are the unsung heroes who have played, created, composed, and recorded Ukrainian music so that generations to come would be able to enjoy the music of our cherished Ukrainian tradition and heritage. Many of these performers have received very little recognition in the past, who have blazed the trail for others to follow. These legendary musicians may have been the leader of the band, a supporting band member, a vocalist, a side musician, or played a lead instrument.

Each summer during the August long weekend, **UMA** hosts an event to feature these legends at Canada's National Ukrainian Festival held in Dauphin, Manitoba, at the home of the Ukrainian Musicians Hall of Fame located at the Selo Village Heritage Site. A ceremony is held to acknowledge all "Legendary Achievers," a certificate is presented to the recipients and a personal biographical history of each musician is shared with those in attendance. **The recipients' names will also be included on a commemorative plaque that is housed in the Ukrainian Musicians Hall of Fame.**

If a recipient is unable to attend, their certificate can be mailed to them, or they may choose to have a family member or friend receive this honour in lieu of their absence.

The "**Legendary Achievement Award**" criteria consists of:

1. The recipient must have performed Ukrainian music with Ukrainian musicians for 30 consecutive years.
2. The recipient will submit a brief biography (2 minutes in length) to be highlighted at the UMA event ceremony at CNUF on the August long weekend.
3. For this honour, a donation of \$100.00 to the **Ukrainian Musicians Association** will ensure your musical legacy lives on in the Hall of Fame for generations to come.
