UKRAINIAN MUSICIANS HALL OF FAME INDUCTION CRITERIA

Hall of Fame inductions are awarded posthumously, honouring the life and legacy of musicians who have dedicated their musical careers to celebrating and preserving Ukrainian heritage and culture through music.

To commemorate their loved one's legacy, families are encouraged to have them inducted into the Ukrainian Musicians Hall of Fame, thereby immortalizing their impact on Ukrainian music and bestowing a lasting tribute for generations to follow.

The requirements of an inductee into the Hall of Fame are as follows:

1. An inductee is a recording artist who contributed to the Ukrainian Canadian culture through music.
2. An inductee has entertained for a minimum of twenty-five (25) years at formal public functions such as weddings, social events, festivals, and other public appearances.
3. The privilege of being inducted into the Hall of Fame includes a one-time contribution of five hundred dollars (\$500.00) payable to the Ukrainian Musicians Association. This cost covers the following:
 - the provision of showcase display space.
 - a personalized plaque honouring the life of the inductee to be included in their showcase space.
 - ongoing site maintenance costs including, but not limited to, lights, insurance, and cleaning/general upkeep; and
 - website recording and maintenance to promote the Hall of Fame and its inductees.
4. Family members of inductees are responsible for submitting to the organization:
 - a selection of personal items of their musical legacy (ie. a musical instrument, Ukrainian clothing, pictures, etc.)
 - a biography, describing the musical career of the inductee (ie. how they received their start in music, their band, events they played, and any other points relative to their musical career.)
5. All inductees must be approved by the Ukrainian Musicians Association Induction and Awards Committee (at which time the \$500.00 will become payable).
