# WHY SPONSOR?

**We know that building strong connections is essential.** Georgia Life Sciences' portfolio of signature events, strategic initiatives, and partner programs support Georgia's growing life sciences ecosystem and provide leaders with networking, education around key topics, and a peer community with whom they can collaborate.

- **Network with intention:** Benefit from valuable networking opportunities tailored around a focused goal. Our events gather industry leaders and potential customers, creating an ideal environment for building meaningful relationships.
- **Access your target audience:** We are the state's definitive life sciences partnership, connecting people, businesses, educational institutions, governments, and other entities to fuel growth.

● **Brand visibility and exposure:** Increase your brand's presence through prominent logo placement on event materials and digital platforms. This visibility enhances recognition and positions your company as a leader in the industry.

● **Alignment with organizational values:** With a focus on workforce, policy, economic development, and entrepreneurship, we can be an extension of your business and philanthropic goals, executing impactful programs throughout the state.

**We offer customizable sponsorship packages to fit your unique needs. Whether you want branding, engagement, or access, we can tailor the experience to achieve your goals. Contact Stacey Bowlin, [sbowlin@galifesciences.org](mailto:sbowlin@galifesciences.org), to learn more.**

# NETWORKING EVENTS

## GEORGIA LIFE SCIENCES SUMMIT

**August 2026**

Since its beginning in 2001, the Georgia Life Sciences Summit has grown into a must-attend event for Georgia's bioscience and medtech communities. The Summit provides a forum for professionals from industry, academia, and government to discuss major trends and issues, including topics related to scientific research, product development, financing, business development, and public policy.

## LIFE SCIENCES DAY AT THE CAPITOL

February 26

Life sciences executives from across Georgia will gather at the State Capitol with the goal of educating state legislators on the transformative potential of our sector.

**SPONSOR .....\$2,500**

- Opportunity to provide brief remarks during breakfast briefing
- Logo recognition on briefing materials and post-event promotion, including newsletter and social channels

## PATIENT ADVOCACY FORUM

October 2026

The Patient Advocacy Forum serves as a vital connector within Georgia's dynamic life sciences ecosystem—linking patients, caregivers, advocates, and healthcare innovators across the state. Rooted in Georgia's diverse communities, the Forum ensures that local patient experiences, concerns, and perspectives directly shape the future of healthcare innovation, advocacy, and policy development.

**GOLD SPONSOR .....\$5,000**

- Inclusion in dedicated podcast focused on Forum themes, marketed across GA Life Sciences channels
- Opportunity to participate on a panel (panelist or moderator)
- Table-top display + opportunity to distribute branded promotional materials

- Logo recognition as a silver sponsor on event website, pre-event promotion, including email and social channels, onsite signage
- Access to the final attendee list for pipeline development

## ADVOCATE SPONSOR ..... \$1,000

- Reserved for nonprofit patient advocacy groups
- Logo recognition as a patient advocate on event website, pre-event promotion, including email and social channels, onsite signage

## BIOBASH REGIONAL HAPPY HOURS

These engaging networking receptions bring together professionals from the life sciences community and local economic development teams to connect in a relaxed atmosphere. Hosted throughout the state, these informal events offer a unique opportunity to foster relationships, discuss key industry topics, identify solutions providers, seek career guidance and mentorship, as well as meet like-minded peers to share fresh perspectives.

## SPONSORSHIP ..... \$2,500

- Co-host logo recognition alongside Georgia Life Sciences logo on official event branding; website, pre-event promotion, including email and social channels, onsite signage
- Opportunity to give brief remarks
- Table-top display + opportunity to distribute branded promotional materials
- Access to the final attendee list for pipeline development

## THOUGHT LEADERSHIP

### CUSTOM THOUGHT LEADERSHIP PROGRAMMING .....\$3,000–\$5,000

Sponsorship supports Georgia Life Sciences' education efforts by underwriting fact-based briefings, forums, and webinars that help GLS members and industry stakeholders better understand complex life sciences issues affecting patients, innovation, and economic growth.

Each special event is unique and custom tailored for the sponsor and can include facility tours, roundtables and other in-person or virtual educational briefings.

### VITALS PODCAST .....\$3,000

Share your expertise with our member companies and network of 6,000 Georgia life sciences professionals! Through our podcast series, Vitals, we provide a platform to showcase your expertise on critical topics and emerging trends including in-depth insights into product innovations, solutions, and industry developments. Hosted and promoted through Georgia Life Sciences channels, they deliver valuable educational content featuring industry experts from your organization.

- Opportunity to establish your organization as an industry knowledge expert
- Opportunity to reach a targeted group of life sciences decision makers via GLS's marketing efforts
- Logo featured on website in conjunction with the webinar/podcast description
- Logo featured in dedicated promotional emails and social media marketing
- Podcast recording sent to registrant list post-event
- Podcast recording posted on website library to allow for additional views
- Webinar/podcast recording provided for posting on your website
- Pre- and post-attendee lists in Excel

Georgia Life Sciences is a 501(c)(6) nonprofit organization. Its affiliate, the Georgia Life Sciences Institute, is a 501(c)(3) charitable nonprofit dedicated to bridging the gap between talent and opportunity in the life sciences. Please consult your tax advisor regarding the deductibility of sponsorships or contributions.

Georgia Life Sciences, founded in 1989, is a non-profit, membership-based organization that promotes the interests and growth of the life sciences industry. It is the state's largest and most influential life sciences advocacy and business leadership organization working to improve access to innovative discoveries that have lifesaving impact. The association connects business, academia, government, and other allied entities involved in the application of life sciences products to fuel growth and collaboration through policy development, community programs, national industry initiatives, and a portfolio of educational and networking events.
