

Life Sciences Summit 2026

AUGUST 25-26 | SANDY SPRINGS
PERFORMING ARTS CENTER, ATLANTA

SPONSORSHIP

PROSPECTUS

Since its beginning in 2001, the Georgia Life Sciences Summit has grown into a must-attend event for Georgia’s bioscience and medtech communities. The Summit provides a forum for professionals from industry, academia, and government to discuss major trends and issues, including topics related to scientific research, product development, financing, business development, and public policy. It is the one time each year companies and universities can showcase Georgia’s bioscience innovation.

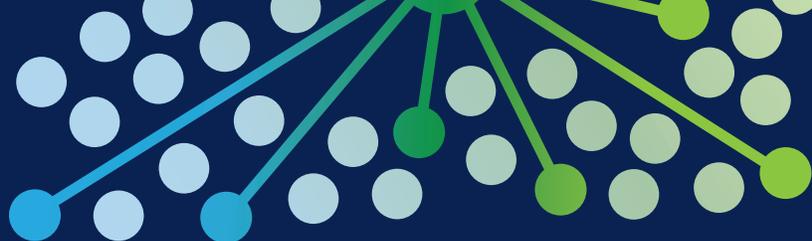

Why Sponsor?

- Connect with new business partners
- Increase brand exposure
- Enhance customer relationships
- Elevate company profile among colleagues
- Build awareness of your elite services

Who Attends?

- Executives and entrepreneurs from emerging life sciences companies
- Executives and seasoned professionals from established life sciences companies
- Scientists, researchers and technology transfer employees from universities and research institutions
- Health systems and hospitals
- Life science investors and VCs
- Federal and state lawmakers and legislative staff
- Economic development agencies
- Industry service providers

Georgia Life Sciences, founded in 1989, is a non-profit, membership-based organization that promotes the interests and growth of the life sciences industry. It is the state's largest and most influential life sciences advocacy and business leadership organization working to improve access to innovative discoveries that have lifesaving impact. The association connects business, academia, government, and other allied entities involved in the application of life sciences products to fuel growth and collaboration through policy development, community programs, national industry initiatives, and a portfolio of educational and networking events.
