AllyHealth

Virtual Urgent Care

Registration Steps Available on Page 1

Doctors can be hard to reach, illness can occur in the middle of the night, and sometimes you just have a question. In all of those circumstances – and many more – AllyHealth is a convenient and affordable solution.

HOW IT WORKS

Log into your account or call AllyHealth anytime, 24/7/365, to connect directly with a licensed physician by phone or video call within minutes at no cost to you and your family.

FEATURES INCLUDE

- No copays, deductibles, or per-call charges
- Prescriptions called into your local pharmacy
- Plan covers the entire family
- Fast and easy access, 24/7/365
- Avoid germ-filled waiting rooms
- Flexible and easy to use (available via web, mobile app, or simply by phone)

COMMON CONDITIONS WE TREAT

- Sore Throat
- Sinus Infection
- Cough
- Allergies
- Urinary Tract Infections
- Skin Rash/ Infections
- Fever/Headache
- Covid-19/Flu
- Rx Refill
- Pink Eye
- Constipation/ Diarrhea
- Stomach Pain
- Stress and Anxiety
- Ear Pain
- And More

WHEN TO USE ALLYHEALTH

- Instead of going to the ER or urgent care center for a non-emergency medical issue
- During or after normal business hours, nights, weekends, and even holidays
- If your primary care doctor or pediatrician is not available
- To request prescriptions or refills (when appropriate)
- If traveling and in need of medical care

*Average provider to patient call return time is under 17 minutes nationwide

AllyHealth

Virtual Psychology

Registration Steps Available on Page 1

Speak with a licensed psychologist for one-on-one talk therapy and psychology session(s) to address any general wellbeing or mental health needs.

FEATURES INCLUDE

- Schedule an appointment by phone or online, from the comfort of home
- New patient appointments scheduled within 3 days or less, on average
- No-cost sessions included, and no claims to your health plan*
- 100% confidential
- Family coverage means the whole family can benefit from these services

WHEN TO USE

Our goal is to provide you with convenient, affordable mental health support, when and where you need it most.

- If you have a mental health question and you just need professional guidance
- When you need someone to assist or talk through everyday concerns such as stress, relationship difficulties or any mental health issues
- For talk therapy to work through life's tough moments and issues
- When you need help dealing with stress, anxiety, life changing events and much more

SIMPLE AS 1, 2, 3, 4

1. Log In To Account

Download the AllyHealth app, or visit the member portal to schedule a consultation with a psychologist within 3 business days on average for new patients.

2. Request a Consultation

Request a consultation with a psychologist, update electronic health records, and complete an intake questionnaire.

3. Connect with a Psychologist

Connect with a psychologist for an appointment to discuss any issues that you may want or need to address.

4. Schedule Follow-Up Sessions

Schedule follow-up sessions as-needed, as determined between you and your care provider.

COMMON ISSUES WE SUPPORT

- Anxiety
- Depression
- Stress Management
- Grief & Loss
- Trauma & PTSD
- Panic Disorders
- Addiction & Substance Abuse
- Men's Issues
- Women's Issues
- Relationship Issues
- Parenting Issues
- Life Changes
- And More!

AllyHealth

Virtual Psychiatry

Registration Steps Available on Page 1

Connect with a U.S. based, board-certified psychiatrist who can diagnose, treat and prescribe medications for a range of mental health needs, as necessary.

FEATURES INCLUDE

- ✓ Schedule an appointment by phone or online, from the comfort of home
- ✓ New patient appointments are scheduled within 3 days or less, on average
- ✓ No-cost visits included, and no claims to the health plan*
- ✓ Manage mental health medications and issues with ongoing, continued sessions with the same provider
- ✓ 100% confidential
- ✓ Family coverage means the whole family can benefit from these services

SIMPLE AS 1, 2, 3, 4

1. Log In To Account

Download the AllyHealth app, or visit the member portal to schedule a consultation with a psychiatrist within 3 business days on average for new patients.

2. Request a Consultation

Request a consultation with a psychiatrist, update electronic health records, and complete an intake questionnaire.

3. Connect with a Psychiatrist

Connect with a psychiatrist for an appointment to assess symptoms, evaluate medical and family history, and help determine a course of action moving forward.

4. Prescription Will Be Sent

Prescription will be sent electronically to your local pharmacy if appropriate, at provider's discretion.

WHEN TO USE

Our goal is to provide you with convenient, affordable mental health support, when and where you need it most.

- If you've tried talk therapy or other resources and feel like you may need more support
- When you or your care team believe you may benefit from a prescription to help with your mental health or wellbeing
- When you need help dealing with depression, stress, anxiety, panic disorders, and much more

COMMON CONDITIONS WE TREAT

- Anxiety
- Depression
- Bipolar Disorders
- Stress Management
- Grief & Loss
- LGBTQ Support
- Trauma & PTSD
- Panic Disorders
- Addiction & Substance Abuse
- Men's Issues
- Women's Issues
- Postpartum Depression
- Relationship Issues
- Parenting Issues
- Life Changes
- And More

*AllyHealth plans typically include up to ten (10) \$0 copay mental health sessions (psychiatry and psychology combined) per family per year, but plan designs may vary. If you have questions about your plan, please contact your HR manager or AllyHealth support at support@allyhealth.net.

Savings and Transparency Tools

Registration Steps Available on Page 1

Tired of paying full price for prescriptions and out-of-pocket medical bills? Through the AllyHealth app, you have access to two incredible tools focused on saving you money.

FREE RX DISCOUNT PROGRAM

- ✓ 10-85% prescription discounts versus cash price on most short-term and acute care medications
- ✓ Online drug price lookup tool helps you find the price of prescriptions at participating locations by zip code
- ✓ Over 65,000 participating pharmacy locations, including independent, national and regional chain pharmacies nationwide
- ✓ No cost, membership, or personal information is required

HOW TO USE RX DISCOUNT PROGRAM

1. In the AllyHealth app, click the "Prescription Savings" tile.
2. Search our network of pharmacies for your prescription.
3. Select the best price and the most convenient location for you.
4. Present the savings information to your pharmacist to save!

MEDICAL BILL SAVER

- ✓ Save 20-50% on most out-of-network bills of \$500 or more
- ✓ No up-front fee - Save or the service is free and only pay fee if your negotiation is successful (success fee is equal to 35% of the negotiated discount)
- ✓ Gain control over your medical spending without feeling the need to become a health care expert
- ✓ Reduce your medical bills regardless of your insurance status or procedure
- ✓ Track your annual savings

HOW TO USE MEDICAL BILL SAVER

1. In the AllyHealth app, click the "Medical Bill Review" tile.
2. If this is your first time using the service, then click the "Get Started" button and then follow the instructions to get started and submit your bill for review. Make sure to use the code "ALY100" to get access to your benefits.
3. If you've used the service before, click the "Access Portal" button any time to visit the online portal to see the status of your negotiation or to submit additional bills.
4. We will alert you when the process is complete. If your negotiation is successful, then you will pay the discounted amount, plus the success fee.
