Our Missions Team was created for the purpose of leading Grace Community Church in the local and global cause of Gospel mission. We want to prayerfully steward our financial resources and direct our partnerships with local and global cross-cultural missionaries and organizations.

Our Missions Care Team is committed to communicating and caring for our missionary partners. We keep our church updated with prayer requests and needs of our Faith Promise Partners.

We are asking you to prayerfully consider making a pledge to our Faith Promise fund, used to support missionaries locally and around the world. By making a pledge to Faith Promise, you are making a commitment in faith to give a specific amount during the next year as God provides, from sources seen and unseen. Faith Promise giving should be in addition to your regular tithes and offerings and is separate from our church General Fund.

Your Faith Promise pledge is between you and God. No one from Grace will contact you concerning its fulfillment. You can give weekly, monthly, or yearly – this is totally up to you. Giving to Faith Promise may be done online, by check, or cash. If cash, please label the envelope with your name and check the Faith Promise box. When giving online, remember to choose the Faith Promise Fund.

Thank you for your generosity!
