

Haiti - House #234 The Eric Justin Family

Mr. Eric Justin (70 y/o) and his wife, Madeleine St Jules, had 11 children. They live with three of them now in the community of Ravine Sable in the crumbling shack you see in the “before” picture. Also calling this home are three grandchildren. They are all farmers. Madeleine, as most Haitian women that live in rural areas, has a small stand on the roadside selling whatever she can to help take care of the household. Eric was a very hard working man but given his age and his health condition, the duties of taking care of the farm and other duties falls upon the wife and children. Their house has been in bad shape for a long time but worsened by hurricane Matthew in October, 2016. They have been praying and hoping that HMI could one day help their situation. They thank God that in August 2021 their prayers have been answered. They are so grateful and send their deep appreciation to all who have helped to make this possible.
