

Haiti House #243 - Jean Claude Edouard

Mrs & Mr Jean Claude Edouard are shown here in the “before“ picture with some of their children and grandchildren. They have 5 children and live now with one of them and 4 grandchildren. They are both farmers and very hard workers. Though they live in Tiga (Upper Bec's s/d), Mrs Jean Claude regularly participates in almost every church event in Numero Deux, especially cleaning of the church and the church's yardwork. She is also an active member of the prayer group "Fanmy Bondye". She and her family have been praying for years to be granted a house by HMI. Because of the generosity of our donors and the hard work of our construction team and building committee, that dream has come true in October 2021. They send their prayerful appreciation to all who helped in any way to make this possible.
