

## **Haiti - House #245 Milord Family**

**Mr Milord is a hard-working, faith filled catholic who farms to sustain his family. He and his wife Fana Baptiste have 5 children. They live in the crumbling shanty you see in the “before” picture by the Numero Deux air strip. They have been hoping and praying for many years that one day they might be out of the misery and into a decent home. Their prayer has been answered. They send their heartfelt thanksgiving to all who helped make Christmas 2021 a truly miraculous one for their family.**
