

Haiti - House #246 The Jean Davidson Neptune

Jean Davidson Neptune lives with 2 of his sisters and several nephews. (By the way, he is the youngest son of Adol Neptune. The Neptune family has been a special blessing to the HMI mission). He is one of the musicians that plays the piano on Sundays at Our Lady of the Assumption church. The August 14, 2021 earthquake seriously damaged the house he was renting in Jeremie. Since then, he moved back to Numero Deux with some of his siblings (as mentioned above). Working as a teacher in Jeremie and by the grace of God he has been able to purchase a little piece of land in Numero Deux. It is then with great joy that HMI will help him live from now on under his own roof. He sends his heartfelt appreciation and prayerful thanksgiving to all who helped bring about this incredible blessing in his life.
