

## **Haiti - House #255 Beauchamp family**

**Yvette Beauchamp is an old maid, who used to live with one of her brothers who passed away several months ago. Now, she lives with her niece, Fedeline Beauchamp (on the left in the “before” picture). As many women in the area, she does family farming and sells whatever she can find to help them survive. Throughout her life, she was very active in the life of the parish but has never had a place of her own in which to live. As you can also see in the “before” picture, the niece’s house is falling down around them. Yvette has been able to get a clear title on a small piece of property.**

**Because her many years of service, HMI is very happy to facilitate her moving to a new, better and decent place to live. She sends her prayerful thanksgiving to all who have given her a place of her own in which to live.**
