

Haiti - House #256 Louis Dieuseul

Dieuseul Louis and Gerdelande Nicolas are a young, hard-working couple. He is a fisherman-farmer and she is a domestic who washes clothes for some families in Jeremie. They have been raising their family of two daughters, 8 and 10 years old, in the make-shift shanty you see in the “before” picture in the community of Carrefour Caton. Tragically, last October they lost their 10 year old daughter (not sure if it was by disease or accident) but the family is still grieving over her loss. They come to church as often as they can, praying that God could somehow console them and help them. In February 2022, their prayer was answered with a new home. They are so thankful and send their prayerful appreciation to all who made this possible.
